Session 1: Workshop Introduction and Project Overview

**Kohji Iwakami and Patricia Kim
on behalf of the project team**

(Environment and Development Division and APCTT)

Workshop objectives and expectations

- Have clear understanding of project's outputs and scope for implementation
- Assess potential outcome of the project and possible impacts
- Identify further cooperation/actions for implementing the strategy papers
- Assess potential challenges for the sustainability of project interventions
- Develop consolidated list of learning points and recommendations for future programming and policy development in energy affordability

Project Team

**EDD:
Energy Security & Water
Resources Section +
Sustainable Urban
Development Section**

**Asia-Pacific
Centre for the
Transfer of
Technology
(APCTT)**

**ESCAP Pacific
Office (EPO),
Suva, Fiji**

**UN agencies,
Hilti Foundation,**

**National
teams:
Indonesia, Lao
PDR, Viet Nam
and the Pacific
countries**

Approach

Strategy papers developed under three streams:

- a. Pacific Regional Data Repository
- b. Affordable and Resource-Efficient Housing Concepts
- c. Technology and Innovation Ecosystem

Presentations and discussion:

Plenary and small groups

Field visit:

Bangchak solar and biofuel, CODI Baan Mankong programme

Programme: Day 1

SESSION 1: Workshop Introduction and Project Overview

SESSION 2: Pacific Regional Data Repository | Pacific |
EDD/ESWRS and EPO

SESSION 3: Construction Technology | Triple-bottom Line
Approach | South-East Asia | EDD/SUDS

SESSION 4: Technology | South & South-East Asia | APCTT

Reception

Programme Day 2

SESSION 5: Implementing the Strategy Papers and Long-term Sustainability (**Stream 2 meets earlier**)

SESSION 6: Sharing of Outcomes from Morning Break-out Session

SESSION 7: Comparing Opportunities and Challenges for Implementing the Strategy Papers and Long-term Sustainability for the 3 Streams

Reporting from World Café Groups

Consolidating Regionally Relevant Recommendations and Learning Points

Evaluation of Day 1 and 2

Programme: Day 3

SESSION 8: All-day Field Visit

Visit in Bangchak:

Grid-connected Solar PV Plant and Biofuel Production Facilities

Visit Baan Mankong Community in Rangsit:

Low-income Participatory Housing and Community Development Programme of Community Organizations Development Institute, Thailand (CODI)
