 Economic Competitiveness Package	
Kyoto Communiqué	<p>The Policy Commission Issued the Kyoto Communiqué in December 2012 to highlight the importance of the RKC and of the ECP in the context of trade facilitation.</p> <p>The Communiqué advocates, especially at the political level, the importance of Customs modernization for strengthening national economies through quality implementation of the RKC and the Kyoto Communiqué on the ECP.</p> <p>Kyoto Communiqué</p>
ECP Toolkit and WTO Trade Facilitation Toolkit	<p>The ECP Toolkit and the WTO Trade Facilitation Toolkit show how the existing WCO tools fully support the implementation of all Customs-related measures in the WTO TF text. Members are encouraged to promote and implement the RKC and the ECP as the major implementation tools for trade facilitation and also in support of the WTO TF negotiations.</p> <p>ECP Toolkit </p> <p>WTO Trade Facilitation Toolkit </p>
RKC Toolkit for Quality Implementation Assessment	<p>The RKC Toolkit for Quality Implementation Assessment essentially comprises a table aimed at assessing the compliance of national legislation with the General Annex provisions and the level of practical implementation of RKC provisions. This table provides some quantitative and qualitative indicators which may differ from one country to another.</p> <p>RKC Toolkit for Quality Implementation Assessment </p>
Innovative Practices	<p>The collection and dissemination of innovative and good practices provided by Members is one of the main activities under the ECP Action Plan. According to the Action Plan, Members should submit their innovative and good practices to the Secretariat by December 2013.</p> <p>Practical Guidance on the Submission of Innovative Practices </p> <p>Template (General) </p> <p>Template (Coordinated Border Management) </p> <p>Template (Transit) </p> <p>Template (Small and Medium Sized Enterprises) </p> <p>Template (Informal Trade) </p>
