What is ROC-TF?

- **Regional Organizations Cooperation Mechanism or ROC-TF** is a cooperation mechanism for the sub-regional, regional, UN and other international organizations involved in Trade Facilitation activities in the Asia Pacific region.
- **Objective:** To facilitate exchange of information, identify synergies and collaborate for effective implementation of Trade Facilitation initiatives.
- It was established following up on the explicit recommendation of the ESCAP Member States to the Secretariat in July 2011 to support the creation of a region-wide coordination mechanism, bringing together representatives of key regional organizations active in trade facilitation.
- First meeting took place in Seoul titled **Dialogue on Regional Cooperation for Trade Facilitation**, back to back with APTFF2011, co-organized by ESCAP and ADB.

ROC-TF Activities since last annual meeting (Oct. 2012)

- Bi-annual Newly Designed Electronic Newsletters
