

NAB

National Advisory Board on Climate Change and Disaster Risk Reduction

What is the NAB?

- ▶ NAB stands for **National Advisory Board on Climate Change and Disaster Risk Reduction**
- ▶ The NAB is a committee made up of government and non-government members.
- ▶ Its primary purpose is to:
“Act as Vanuatu’s supreme policy making and advisory body for all disaster risk reduction and climate change programs, projects, initiatives and activities”.

Why do we have a NAB?

- ▶ Prior to mid-2012, there were two government bodies undertaking climate change and disaster risk reduction work: the National Advisory Committee on Climate Change (NACCC) and the National Task Force on Disaster Risk Reduction (NTF).
- ▶ There were many areas of overlap in climate change adaptation work and disaster risk reduction work.
- ▶ For reasons of efficiency, coordination, best use of resources, and stronger governance and direction, it was agreed by VMGD and NDMO that a merged body should be formed.

NAB

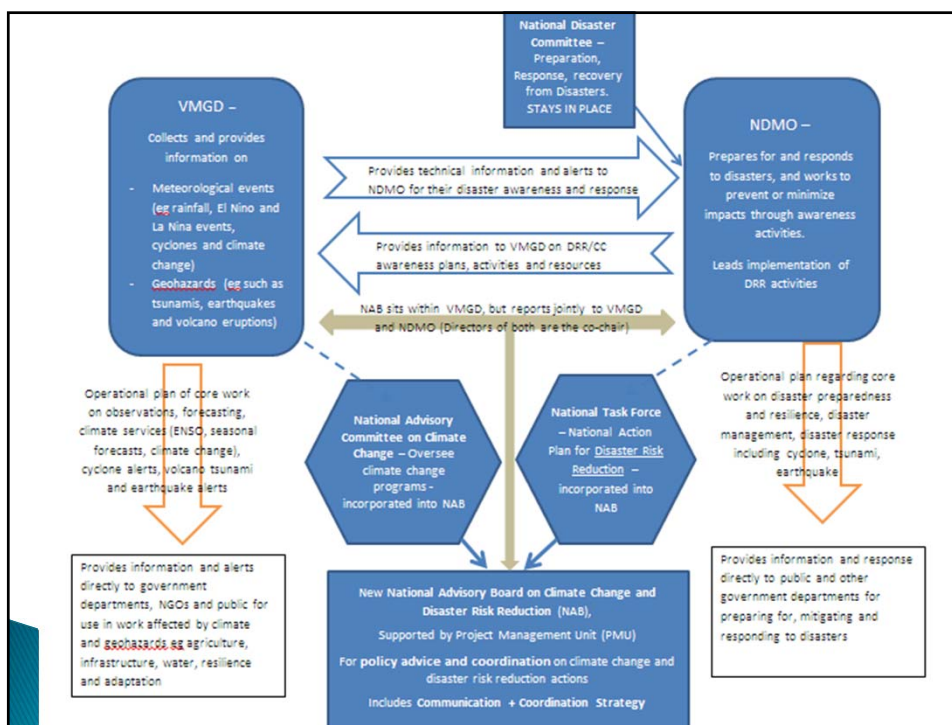

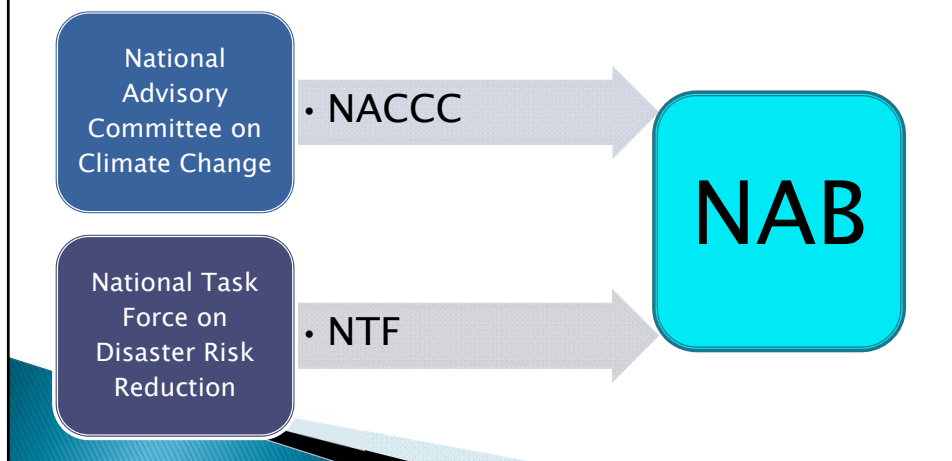

The NAB will provide a:
Focal point for coordinating CC and DRR efforts

- ▶ Coordinating body to discuss and develop integrated CC and DRR policy and positions for national action and international negotiations

Reduce **duplication** – increase **collaboration** –
work towards a **comprehensive, consistent**
approach which addresses VANUATU's **key**
priorities

Where does the NAB fit?

BEFORE: 2 Parliamentary Bodies

How was the NAB formed?

- ▶ In February 2012 NACCC and NTF hosted a 2-day “Reorientation Meeting” to discuss how to create an integrated approach.
- ▶ Over 50 participants, from Government, NGOs and Donors provided feedback on how an joint advisory board should work.
- ▶ A draft structure, roles and responsibilities was drafted by VMGD and NDMO and circulated for comment.
- ▶ The Council of Ministers endorsed the creation of the interim NAB on 15 October 2012.

Who is on the NAB?

The NAB is co-chaired by

- ▶ the Director of VMGD: Mr Jotham Napat
- ▶ The Director of NDMO: Mr Shadrack Welegtabit

Members are senior-level representatives from key sectoral government agencies, and NGO representatives – a representative of VHT Network, Vanuatu Climate Adaptation Network and VANGO.

Members are nominated in the first instance by the Directors of VMGD and NDMO and appointed by NAB Co-Chairs at an official NAB meeting.

Observers and visitors are welcome to attend NAB meetings on a request/invitation basis.

What does the NAB do?

Six main duties:

1. Act as Vanuatu's supreme **policy making and advisory body** for all disaster risk reduction and climate change programs, projects, initiatives and activities.
2. Develop DRR and CC **policies, guidelines and positions**.
3. Advise on **international, regional and national DRR and CC obligations**

What does the NAB do?

Six main duties:

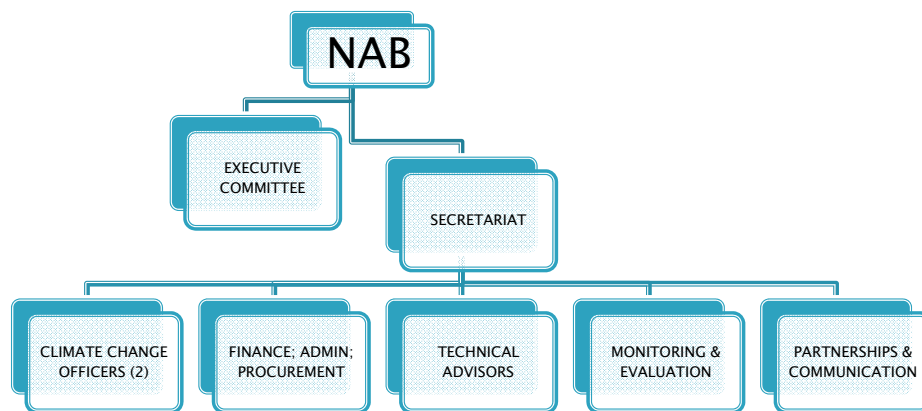

4. Advise, facilitate and endorse the **development** of new DRR & CC programs, projects, initiatives and activities – including **mainstreaming** CC and DRR.
5. Act as a focal point for **information-sharing and coordination** on CC/DRR
6. Advise, guide and coordinate the development of national CC & DRR **financing** processes.

How does the NAB work?

- ▶ NAB meets once every 6–8 weeks or as needed to make decisions.
- ▶ The NAB is supported by an Executive Committee, which can meet for urgent decisions.
- ▶ The NAB is also supported by the NAB-PMU (NAB Project Management Unit) which is the Secretariat of the NAB.
- ▶ The PMU prepares information for NAB decision, and then implements the decisions of the NAB.
- ▶ The PMU actions the coordination, endorsement, and advice functions of the NAB.

National Advisory Board on Climate Change & Disaster Risk Reduction

Key features

- ▶ Integration of DRR and CC
- ▶ Executive Committee (for urgent meetings)
- ▶ Staffed Secretariat
- ▶ NGO partners have a formal role
- ▶ Guidelines/Rules for better coordination
- ▶ To be institutionalized under VMGD and Disaster Act
- ▶ Strong monitoring, evaluation and reporting processes to be established

NAB-PMU key roles

There are three key areas of focus:

- ▶ Strategic Governance and Policy
 - Including implementation of national obligations, development of positions for international summits, identification of priorities, and development of a national policy on CC and DRR
- ▶ Technical Advice, Project Monitoring and Coordination
 - Including providing technical advice to government departments and NGOs, acting as the coordination point for CC and DRR matters, starting a 'project endorsement process' and 'information materials endorsement process' and working to support standardised approaches.

NAB-PMU Key roles

- ▶ Project Management – Financing, Procurement & Administration
 - Including Secretariat duties for the NAB, investigating funding mechanisms for Vanuatu, providing support and advice on procurement for CC/DRR, and implementing projects...

Project Management

- ▶ EU-GCCA Project
Provides staff and office resourcing plus funding for 8 key activities:
 1. Develop national policy
 2. Stakeholder and climate finance mapping
