

Inclusive Trade in IPN context

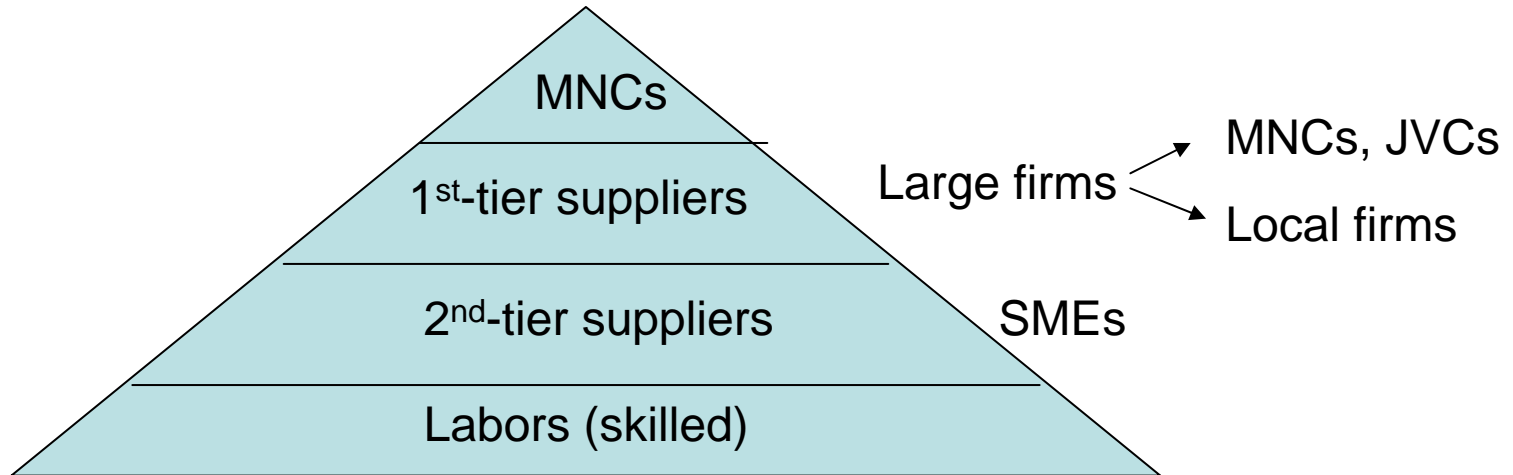

Witada Anukoonwattaka

ESCAP

Inclusivity and IPN

- Intra-country inclusivity: Evidence?
 - Job creation
 - Productivity spillovers
 - Real wage
 - Participation of local firms and SMEs
 - Social dimensions
- Sector-specific, country-specific, task-specific

Automotive Sector: Intra-country inclusivity

- Issues: productivity spillovers, involvement of local firms
- Thailand vs Malaysia (Indonesia, Philippines) in Automotive
- Thailand (automotive) vs Malaysia (electronics)
- Lessons and policy implications

er-country inclusivity

and potential participants:

ASEAN-4

m

differ between countries and

s

of problems? – policy implications
