

# Regional Capacity-Building on ICT for Development

*Item 7*

*Third Session of Committee on ICT*

*21 November, 2012*

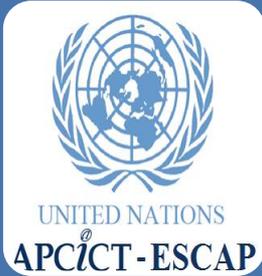

*Bangkok*

**Hyeun-Suk Rhee, Ph.D.**

**Director**

**United Nations APCICT-ESCAP**

# Brief on APCICT

**APCICT : Asian and Pacific Training Centre for Information and Communication Technology for Development**

**A Regional Institute of UN-ESCAP**

**Established in June 2006. Located in Incheon, ROK**

# Mission and Main Activities

***Build ICT human / institutional capacity of ESCAP members in the use of ICTs for socio-economic development and to achieve the MDGs***

**1**

**Multilateral Cooperation Mechanism**

A group of approximately 30 people, including men and women in professional attire, are standing in a line for a group photograph. Behind them are banners for the 'Regional Forum on ICT Human Capacity Development' and the 'APCCT-ESCAP' logo.

**2**

**Training & Workshops**

A large group of people, mostly women, are seated at long tables in a well-lit room, attending a training session or workshop. They appear to be focused on their work or listening to a speaker.

**3**

**Advisory Services**

A group of people, including men and women, are seated around a large wooden conference table in a meeting room. They are engaged in a discussion or advisory session, with some looking at documents on the table.

**4**

**Research & Knowledge Management**

A collage of research reports and publications. The central focus is a report titled 'The Linkage Between ICT Applications and Meaningful Development' with a 'FOREWORD' section. Other visible titles include 'ICT HUMAN CAPACITY BUILDING FOR DEVELOPMENT' and 'ICT FOR DISASTER RISK REDUCTION'. The 'ICT WORLD TODAY' logo is also present.
