What is a Freight Forwarder by Jeff Coppersmith

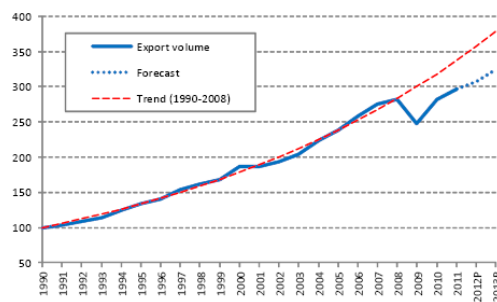

Today's Trend

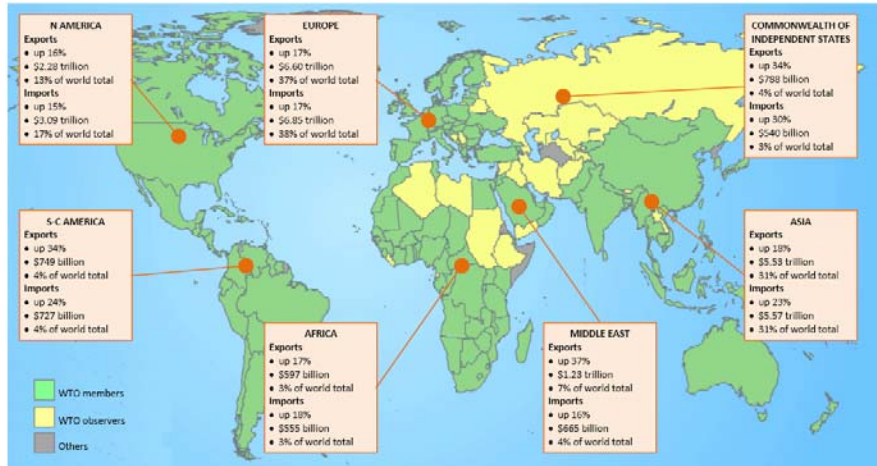

- ⇒ **The WORLD today depends a great deal on trade**
- ⇒ **Trade Surplus and Deficit figures are economy of the country**
- ⇒ **In 2008 world merchandise in dollar terms (which includes price changes and exchange rate fluctuations), world merchandise exports increased by 15% in 2008, to \$15.8 trillion**

Trade Forecast

The WTO's projected 3.7% growth rate for world merchandise trade in 2012

Merchandise exports and imports by region, 2011

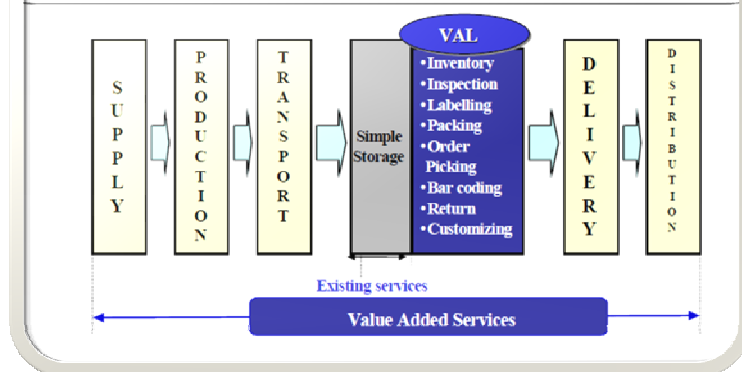

- **Marine Insurance – Unique Class of Business**
- **Underwriters are highly specialize**
- **Acts, Laws, Treaties and Conventions**
- **This covers the loss or damage of goods being transported internationally. Marine insurance policies also cover air, road and rail transport.**
- **Because freight forwarders and carriers are entitled to limit their liability, owners of goods who don't insure them during international transport will only be entitled to a fraction of the goods' real value.**

The pressure of VAL services in the logistics chain have increase the demand of Logistics Centre

Figure III.5. VAL service of logistics centres in port area

The main VAL activities are:

Receiving
Goods

Packaging
