

**Ministry of Posts and Telecommunications
of
The Kingdom of Cambodia**

“The Second Session of The Committee on Information and Communications Technology”

(24-26 November, 2010, Bangkok, Thailand)

By H.E. Meas Po, Under Secretary of State

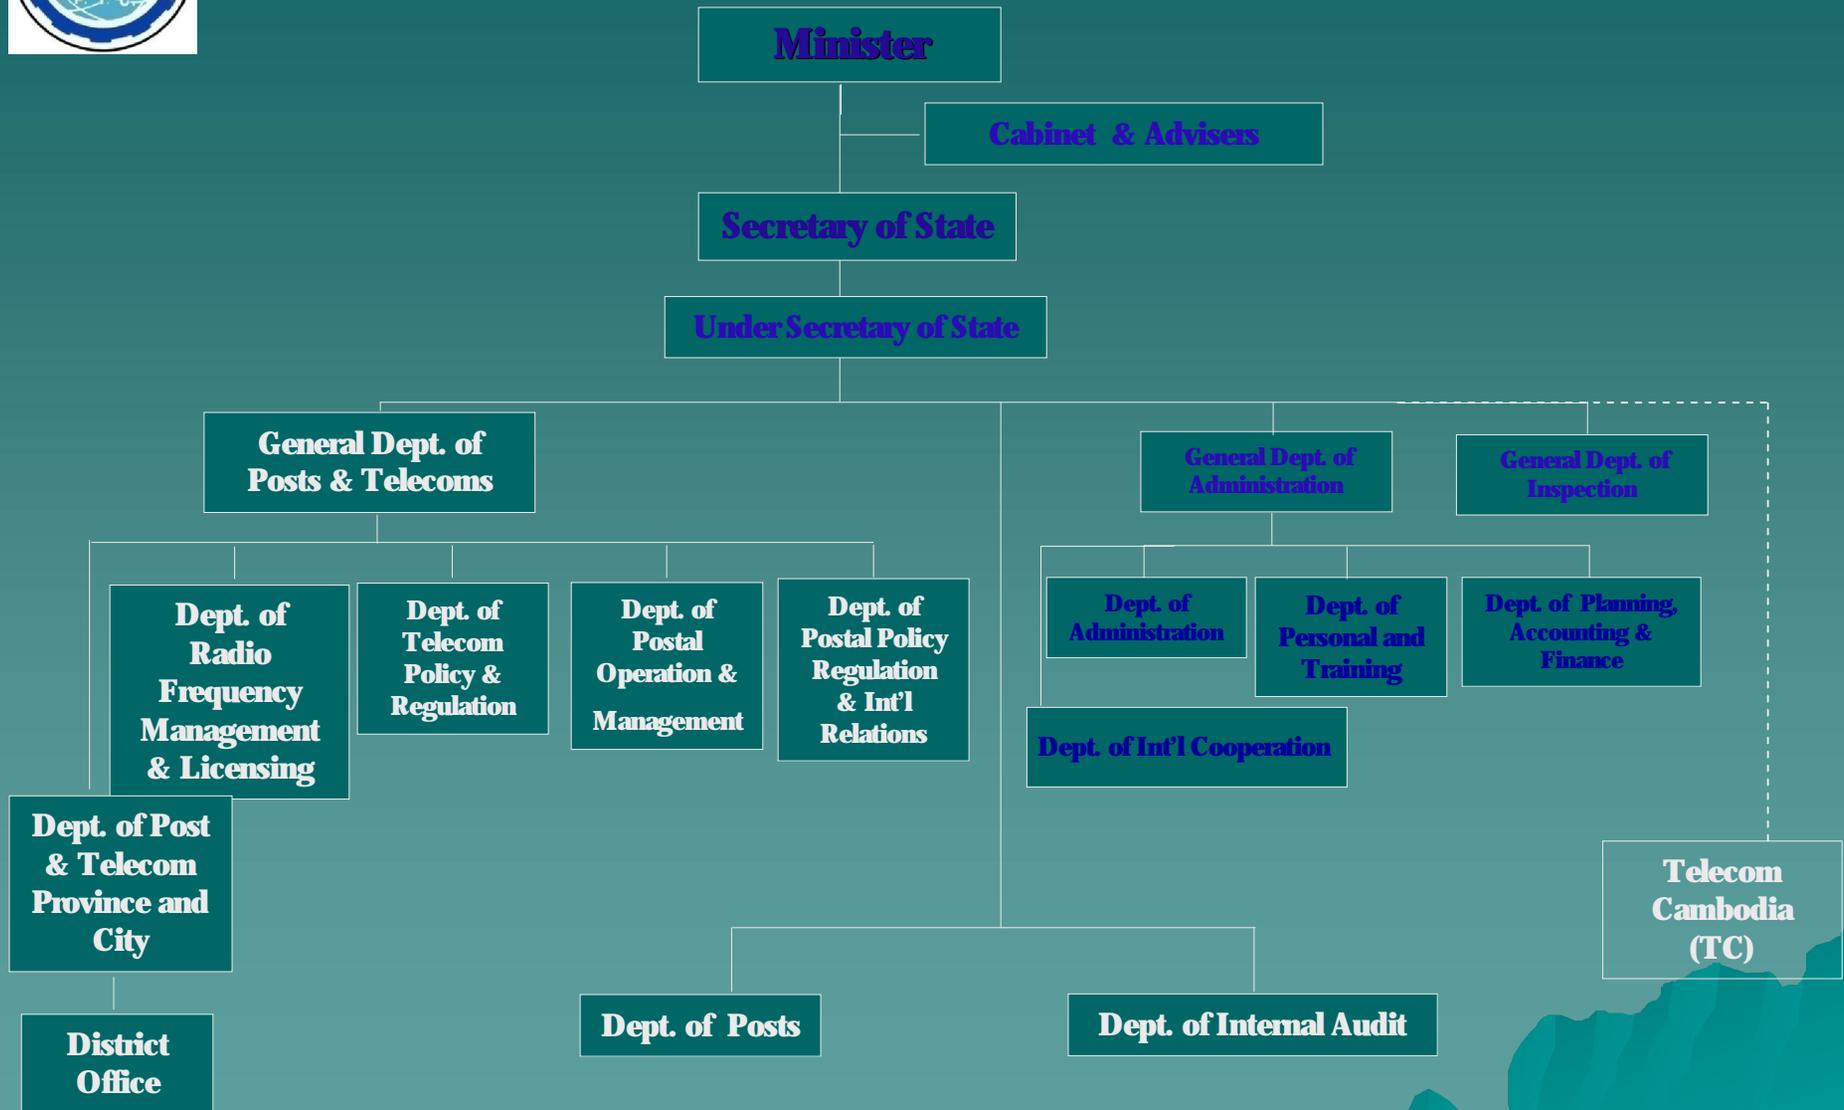

Introduction of MPTC

- Ministry of Posts & Telecommunications of Cambodia (MPTC) was the policy maker, regulator and operator in Posts and Telecommunications before 2006.
- There after, the operation of Telecommunications had been separated from MPTC to be The Telecom Cambodia (T.C.) (Public Enterprise-State Owned)
