

Principle and modality of work

- Avoid duplication with mandates and programmes of divisions at ESCAP Headquarters and with UN agencies
- Keep close contact with member States, create synergies with national institutions, civil society, academia, research institutes
- Ensure all-inclusiveness
- Ensure transparency and accountability

Roles of SRO-ENEA

- Support towards achieving MDGs in the subregion
- Identify best practices and support south-south cooperation
- Knowledge sharing platform/ advocacy
- Platform for subregional cooperation for new initiatives and subregional integration
- Facilitator for capacity building activities for policy makers as well as major stakeholders including NGOs and women
- Subregional facilitator for implementing regional, multilateral and global mandates
