

H6 Joint Programme Report

Delivering health results for women,
children and adolescents everywhere

2012 - 2019

CONTENTS

6	Abbreviations
9	Acknowledgements
11	Executive summary
17	Section 1. Progress of the H6 Joint Programme
19	H6 Joint Programme at the country level (2012–2019)
33	H6 Joint Programme at the global level
39	Section 2. Financial management and coordination of the H6 Joint Programme
39	Spending by level and output area
41	At the global level
44	At the country level
50	Section 3. Looking back and moving forward
50	H6 Joint Programme contribution (2013–2019)
54	Sustaining health systems, strengthening gains and transition plans
55	Lessons learned
63	Section 4. Working together on the SRMNCAH agenda: contributions of the H6 Partnership
64	H6 country survey: 2018
72	The H6 Partnership vision: a transformative agenda
81	Section 5. Conclusion
84	Appendix 1: H6 global-level activities (2012–2019)
108	Appendix 2: Progress on indicators in the H6 Joint Programme M&E framework (2013–2017)
113	Appendix 3: Key interventions implemented at the country level
116	Appendix 4: Key programme activity highlights by country (2013–2017)

TABLES

Table 1: Sweden's grant funding for the H6 Joint Programme in six countries

Table 2: Human resources for health - skills enhancement and competencies in RMNCAH (2013-2017)

Table 3: Geographical targeting of H6 Joint Programme countries in the planning stage (2013)

Table 4: Dissemination of evaluation results (2017-2019)

Table 5: Expenditures by partner and programme levels, H6 Joint Programme, January 2013 to 30 June 2019 (\$)

Table 6: Lead agencies in H6 Joint Programme countries

FIGURES

Figure 1: H6 Joint Programme timeline of activities

Figure 2: Country-level expenditures by output area, H6 Joint Programme (2013-2017)

Figure 3: Percentage of total funds spent at country and global levels, 2013 to 30 June 2019

Figure 4: Fund utilization rate in Sida collaboration countries (2013-2017)

Figure 5: Budget allocation and expenditure of outputs for six countries, with percentage utilization rate (2013-2017)

Figure 6: H6 organizations representing the country teams in the survey

Figure 7: Top 10 areas of assistance provided by H6

Figure 8: Joint work plans, implementation programmes and projects ($n= 39$)

Figure 9: Technical assistance needs for countries in multi-stakeholder partnerships ($n= 20$)

Figure 10: Six core UN system functions needed to effectively implement the SDGs outlined by the UN Secretary-General

BOXES

Box 1: Leveraging resources towards the collective drive of H6 countries to integrate MPDSR into national health systems in Africa

ABBREVIATIONS

AIDS	acquired immunodeficiency syndrome
ART	antiretroviral therapy
BEmONC	basic emergency obstetric and newborn care
CEmONC	comprehensive emergency obstetric and newborn care
CHW	community health worker
CoIA	Commission on Information and Accountability
DFID	United Kingdom Department for International Development Assistance
EID	early infant diagnosis
EmONC	emergency obstetric and newborn care
EMTCT	elimination of mother-to-child transmission (of HIV)
ENAP	Every Newborn Action Plan
EPMM	Ending Preventable Maternal Mortality
ESA	East and Southern Africa
EU	European Union
EWEC	Every Woman Every Child
Gavi	Gavi, the Vaccine Alliance
GBV	gender-based violence
GFATM	The Global Fund to Fight AIDS, Tuberculosis and Malaria
GFF	Global Financing Facility
HDF	Health Development Fund
HIV	human immunodeficiency virus
HMIS	health management information systems
HSTP	health system transition plan
ICM	International Confederation of Midwives
IMCI/IMNCI	integrated management of (newborn and) childhood illnesses
M&E	monitoring and evaluation
MDG	Millennium Development Goal
MDSR	maternal death surveillance and response
MNCAH	maternal, newborn, child and adolescent health
MNCH	maternal, newborn and child health
MNDSR	maternal and neonatal death surveillance and response

MNH	maternal and newborn health
MPDSR	maternal and perinatal death surveillance and response
NGO	non-governmental organization
PMNCH	Partnership for Maternal, Neonatal and Child Health
PMTCT	prevention of mother-to-child transmission (of HIV)
QED	quality, equity, dignity
RHR	reproductive health and rights
RMNCAH	reproductive, maternal, newborn, child and adolescent health
RMNCH	reproductive, maternal, newborn and child health
RMNH	reproductive, maternal and newborn health
SDG	Sustainable Development Goal
SHR	sexual health and rights
Sida	Swedish International Development Cooperation Agency
SMAG	Safe Motherhood Action Group
SRHR	sexual and reproductive health and rights
SRMNCAH	sexual, reproductive, maternal, newborn, child and adolescent health
SRMNCAH-N	sexual, reproductive, maternal, newborn, child and adolescent health and nutrition
SRMNCH	sexual, reproductive, maternal, newborn and child health
STI	sexually transmitted infection
UHC	universal health coverage
UN	United Nations
UN Women	United Nations Entity for Gender Equality and the Empowerment of Women
UNAIDS	Joint United Nations Programme on HIV/AIDS
UNDAF	United Nations Development Assistance Framework
UNDP	United Nations Development Programme
UNFPA	United Nations Population Fund
UNICEF	United Nations Children's Fund
WAG	Women's Action Group
WCA	West and Central Africa
WHO	World Health Organization
