Comprehensive legal frameworks	132	Access to family planning and contraceptive services for young persons with disabilities	190
Implementing policies to prevent and respond to violence against young persons with disabilities	138	Maternal health-care services	199
National action plans to prevent and respond to violence against young persons with disabilities	138	Disability inclusion in STI and HIV prevention, treatment, and care services	203
		Accountability and data collection strategies	207
		IV. Conclusion	210

CHAPTER 6: INCLUSION OF CIVIL SOCIETY

211

I. Introduction

212

Chapter overview

215

II. What civil society can do

218

Giving voice

219

Raising stakeholder awareness

223

Monitoring rights

226

Social support and services

231

III. Barriers and facilitators

234

Gatekeeping and silencing

236

Organisational capacity and access
to resources

240

Social exclusion within the home,
community, and civil society

244

IV. Young persons with disabilities represented in civil society around the world

249

Global disability networks and
international DPOs

249

Latin America and the Caribbean

252

Sub-Saharan Africa

253

Arab States

255

Asia and the Pacific

255

Eastern Europe and Central Asia

256

Western Europe and North America

257

V. Conclusion

258

CHAPTER 7: RECOMMENDATIONS

259

I. Overview

260

International standards

263

Comprehensive, integrated, and
twin-track approaches

263

Context and identity specific

264

Capacity development and
awareness raising

265

Participation and inclusion of
civil society

266

Monitoring and evaluation

266

Data collection and research

267

Disability-inclusive budgeting

267

II. Ending gender-based violence against young persons with disabilities

268

III. Realising sexual and reproductive health and rights for young persons with disabilities

272

IV. Ensuring inclusion of young persons with disabilities

276

Recommendations for states

276

Recommendations for UN agencies,
civil society, academia, communities,
and the private sector

280

Endnotes

284

Text Alternatives for Infographics
