Table of Contents

TABLE OF CONTENTS	6
LIST OF TABLES	9
LIST OF FIGURES	10
EXECUTIVE SUMMARY	12
CHAPTER 1 STATUS OF THE CITY URBANISATION AND ECONOMIC AND FINANCIAL SYSTEMS	21
1.1 Brief History of Accra and Tema	22
1.1 Brief History of the City.....	24
1.2 Geographic Characteristics of the City	24
1.3 The Population Growth and Urbanisation Patterns	26
1.3.1 Current status of population and household structure.....	26
1.3.2 Current status of urbanisation.....	27
1.3.3 Future projection of urbanisation by 2030.....	28
1.4 The Economic System, Structure and Development.....	29
1.5 Jurisdictional Design/Environment, e.g. decentralization, local governance system	32
1.6 The Municipal Financial System.....	33
1.6.1 The public financial system.....	33
1.6.2 The financial market system.....	34
1.7 Municipal Revenue and Expenditure by Categories/Types	35
1.8 Financing Sources and Flows for Housing, Infrastructure and Urban Services.....	37
1.8.1 Financing sources and flows for housing	37
1.8.2 Financing sources and flows for infrastructure and urban service	38
CHAPTER 2 FINANCING NEEDS AND STATUS OF FOR HOUSING, INFRASTRUCTURE AND URBAN SERVICES	42
2.1 Financing Needs for Low and Medium Income Housing	43
2.1.1 Status and planning of urban housing security	43
2.1.2 Analysis on the demand of urban housing security	44
2.1.3 Analysis on urban housing security investment.....	45
2.1.4 Financing needs for low income, lower and lower-middle income housing.....	46
2.2 Financing Needs for Infrastructure and Urban Services	46
2.2.1 Financing needs for transport.....	46
2.2.2 Financing needs for energy and power.....	51
2.2.3 Financing needs for water and waste management	54
2.3 Sources and Status of Finance for Housing, Infrastructure and Urban Services.....	57
2.3.1 Sources and status of finance for lower and lower-middle income housing.....	57

2.3.2 Sources and status of finance for transport	59
2.3.3 Sources and status of finance for energy and power	60
2.3.4 Sources and status of finance for water and waste management	61

CHAPTER 3 FINANCING NEEDS AND STATUS FOR RESILIENT AND GREEN URBAN SOLUTIONS 64

3.1 Financing Needs for Resilient and Green Urban Solution	65
3.1.1 Financing needs for resilient and green housing development.....	65
3.1.2 Financing needs for resilient and green infrastructure development, urban services	67
3.2 Sources and Status of Finance for Resilient and Green Urban Solutions	71

CHAPTER 4 FINANCING INSTRUMENTS FOR HOUSING, INFRASTRUCTURE AND URBAN SERVICES..... 75

4.1 Key Challenges and Constraints in Financing the Housing Sector	76
4.2 Financial Instruments for Housing.....	78
4.2.1 Assessment of financing instruments for commercial residential housing	78
4.2.2 Financing sources and flows for commercial residential housing	80
4.2.3 Assessment of financing instruments for lower and lower-middle income population.....	81
4.2.4 Financing sources and flows for lower and lower-middle income population	81
4.3 Financing Instruments for Infrastructure and Urban Services.....	81
4.3.1 Assessment of financing instruments for transport.....	83
4.3.2 Assessment of financing instruments for energy and power.....	83
4.3.3 Assessment of financing instruments for water and waste.....	83
4.4 Scale and Volume of Finance.....	83
4.4.1 Assessing the scale and volume of financing involved in each financial instrument in the city.....	83
4.5 International Finance	84
4.5.1 Assessing the financial flows and trends of international finance and international aid in and to the city	84
4.6 Assessing City Financing Challenges in Each Category.....	85
4.6.1 Macro level challenges (e.g. national regulatory, policy constraints, financial market volatility, transparency and accountability issues)	85
4.6.2 Sectoral challenges (e.g. market, demand, volume, technology, financial management)	86
4.6.3 Project level challenges.....	86
4.6.4 Municipal government capacity constraints.....	86

CHAPTER 5 IMPACTS OF FINANCING INSTRUMENTS AT THE FINANCIAL SYSTEM LEVEL 87

5.1 Impacts on the Financial System	88
5.1.1 Assessing the impacts of financial instruments at the financial system level, particularly on the sustainability and resilience of the national financial system	88
5.2 Impacts on Sectors.....	90
5.2.1 Identifying issues faced by different actors and stakeholders in financing housin	90

5.2.2 Identifying issues faced by different actors and stake holders in financing infrastructure and urban services	92
5.3 Challenges faced by different actors	93
5.3.1 Identify issues faced by different actors and stakeholders in financing housing and infrastructure to meet the resilient and green requirements.....	93
CHAPTER 6 ALTERNATIVE FINANCIAL INSTRUMENTS	95
6.1 New Challenges, Approaches, Instruments.....	96
6.1.1 Analyzing new housing and infrastructure development challenges, issues, priorities and financing opportunities and solutions in the city	96
6.1.2 Analyzing approaches which could reduce the costs of affordable housing and narrow the affordable housing gap in the city, including market-oriented solutions (e.g. lowering the cost of land, construction, operations and maintenance, and financing).....	97
6.1.3 Assessing opportunities for launching and developing new instruments which support low carbon and climate resilient development.....	98
6.2 Improving Financial and Technical Support at the City Level	99
6.2.1 Present recommendations on how to improve efficiency and effectiveness of financial and technical support in the city	99
6.3 Opportunities for International Financial Institutions and Agencies	100
6.3.1 Support to financial sector development.....	100
6.3.2 Financing opportunities in the city	101
6.3.3 Capacity building opportunities for financing the city	101
6.3.4 Partnership opportunities as well as knowledge development and sharing in financing FRUGS.....	102
6.3.5 Opportunities for launching and developing new instruments e.g. assessment tools for green and climate resilient cities, green building and housing index	102
CHAPTER 7 PROJECT IDENTIFICATION	104
7.1 National Priorities for Housing, Infrastructure and Urban Services	105
7.2 City Priorities for Housing, Infrastructure and Urban Services	106
7.3 Financing Opportunities for Project Pipelines	106
7.4 Project Identification and Pipelines for Low Income, lower and Lower-Middle Income Housing	107
