## I. INTRODUCTION

## I. INTRODUCTION

### The world's premier conference on urban issues

1. The World Urban Forum was established by the United Nations to examine one of the most pressing issues facing the world today: rapid urbanization and its impact on communities, cities, economies, climate change and policies. The Forum is organized and convened by the Executive Director of the United Nations Human Settlements Programme (UN-Habitat) pursuant to paragraph 10 of resolution 18/5 of the Commission on Human Settlements, in which the Commission requested the Executive Director "to promote a merger of the Urban Environment Forum and the International Forum on Urban Poverty into a new urban forum, with a view to strengthening the coordination of international support to the implementation of the Habitat Agenda." Subsequently, the United Nations General Assembly decided, in its
