This publication is one of the outputs of the UN to UN agreement between the International Policy Centre for Inclusive Growth (IPC-IG) and the United Nations Children’s Fund (UNICEF).

The International Policy Centre for Inclusive Growth (IPC-IG) is a partnership between the United Nations and the Government of Brazil to promote learning on social policies. The IPC-IG is linked to the United Nations Development Programme (UNDP) in Brazil, the Ministry of Economy (ME) and the Institute for Applied Economic Research (Ipea) of the Government of Brazil.

**Research team**

**Authors**

Anna Carolina Machado and Nurth Palomo (IPC-IG)  
Mónica Rubio and Gerardo Escaroz (UNICEF LACRO)  
Rodolfo Beazley, Ana Solórzano, and Giulia Baldi (WFP)

**IPC-IG Coordinators**

Fábio Veras Soares (Senior Research Coordinator, Ipea and IPC-IG)  
Rafael Guerreiro Osorio (Senior Research Coordinator, Ipea and IPC-IG)

**Researchers and contributors**

Camila Pereira (IPC-IG), Galen J. Hunt (IPC-IG),  
Martina Astete (IPC-IG) and Cristina Orts (WFP)

**Designed by the IPC-IG Publications team**

Roberto Astorino, Flávia Amaral, Priscilla Minari and Manoel Salles

**Rights and permissions**—all rights reserved

The text and data in this publication may be reproduced as long as the source is cited. Reproductions for commercial purposes are forbidden.

The International Policy Centre for Inclusive Growth, the UNICEF Regional Office for Latin America and the Caribbean, and the World Food Programme disseminate the findings of their work to encourage the exchange of ideas about development issues. The documents are signed by the authors and should be cited accordingly. The findings, interpretations, and conclusions they express are those of the authors, and not necessarily those of the United Nations Development Programme, the Government of Brazil, the United Nations Children’s Fund or the World Food Programme.

This publication was translated and proofread by a partner of this project. Thus, it does not fully adhere to the IPC-IG’s publication guidelines—most notably, it is presented with American rather than British spelling.

This publication is available at [www.ipcig.org](http://www.ipcig.org) and <https://uni.cf/2TSn1a6>.

For further information on IPC-IG publications, please feel free to contact [publications@ipcig.org](mailto:publications@ipcig.org).

**SOCIAL PROTECTION AND VENEZUELAN  
MIGRATION IN LATIN AMERICA AND THE  
CARIBBEAN IN THE CONTEXT OF COVID-19**

## **ACKNOWLEDGMENTS**

This technical note is a joint publication by the International Policy Centre for Inclusive Growth (IPC-IG), UNICEF—Regional Office for Latin America and the Caribbean, and the World Food Programme (WFP).

The authors would like to thank the UNICEF National Offices in Argentina, Brazil, Chile, Colombia, Ecuador, Guyana-Suriname, Peru, and Trinidad and Tobago, as well as the Programs Team in the Regional Office for their support and comments.

We would also like to express our gratitude for the work, feedback, and support of the Country Offices of the World Food Programme (WFP) in Colombia, Ecuador, Peru, and the Sub-Regional Office for the Caribbean, as well as to the Programme Team in the Regional Office and to the Coordinator for the Venezuelan migrants' emergency in Colombia, Ecuador, and Peru.

We would also like to thank the UNHCR and the R4V platform for their technical support and cooperation.

# CONTENTS
