2019

PAKISTAN OVERVIEW OF FOOD SECURITY AND NUTRITION

**IMPROVING ACCESS
TO FOOD**

CONTENTS

Foreword	ix
Acknowledgments	xi
Key messages	xii
Abbreviations and Acronyms	xiv
The Setting	1
Part 1: Food Security and Nutrition in Pakistan	6
Recent Trends in Hunger and Food Insecurity in Pakistan	6
Prevalence of Undernourishment in Pakistan	8
Prevalence of Moderate and Severe food Insecurity in Population based on Food Insecurity Experience Scale (FIES)	15
Recent Trends in Malnutrition in Pakistan	21
Stunting among Children under Five Years of Age	22
Wasting among Children under Five Years of Age	24
Underweight, Overweight and Obesity among Children under 5 Years of Age	26
Micronutrient Deficiencies among Children under Five Years of Age and Adolescents	28
Breastfeeding and Complementary Feeding	31
Nutritional Status of Women of Reproductive Age (WRA)	36
Part 2: Food Insecurity and Malnutrition in Pakistan – Drivers and Determinants	42
Poverty	43
Poverty Trends in Pakistan: National and Provincial Dimensions	44
Climate Related Disasters –Vulnerability and Food Security in Pakistan	50
Food Safety and Quality	57
Food Safety Situation in Pakistan	58
Strategies for Intervention	59
Water, Sanitation, and Hygiene (WASH)	61
WASH and Nutrition Nexus and Various Stages of Life Cycle	61
Integrated Action to Improve Nutrition	63
Accessibility and Availability of Water	63
Water Quality	65
Baseline for Safely Managed Water	65
Safely Managed Sanitation Services in SDGs Context	66
Baseline for Safely Managed Sanitation	68
Inclusion and Disparities	68
Part 3: Improving Access to Food	72
Physical Access to Food	73
Country population, Pakistan's Farming Profile and Access to Food Implications	73
Physical Access to Food in Pakistan	76
Transport and Communication Infrastructure	82
Market Infrastructure	84
Economic Access	86
Trend in Price Indices in Pakistan	88

Trend in Average Retail Prices of Various Food Items in Pakistan	88
Food Consumption Patterns by Income Groups in Pakistan	89
Social Access to Food	91
Knowledge Access and Food Security	98
References	104
Annex. Methodological note	107

BOXES, FIGURES AND TABLES

BOXES

Box 1: Food Balance Sheet (FBS)	9
Box 2: Different Sources of Data for PoU Estimation	11
Box 3: Definition of Food Security	14
Box 4: Food Insecurity Experience Scale (FIES)	18
Box 5: Integrated Food Security Phased Classification	54
Box 6: Climate Change and Food Security	57
Box 7: Food Safety Authority Agencies in Pakistan	59
Box 8: What is Nutrition Specific and Nutrition Sensitive Programming	63
Box 9: Wash Definitions	65
Box 10: SANITATION AND Handwashing Ladder	67
Box 11: Agro-Ecologies and Crop Production Systems in Pakistan.	75
Box 12: Wheat Policies in Pakistan	82
Box 13: Land Access and Tenure Security	87
Box 14: Urban Poverty	97
Box 15: Gender, Conflict, Food Insecurity and Malnutrition	98
Box 16: 9211 Information System in Punjab for Livestock and Dairy Development	101
Box 17: Pakistan Dietary Guidelines for Better Nutrition	102

FIGURES

Figure 1: Indicators for SDG Target 2.1 to Monitor Progress on Ending Hunger and Ensuring Access to Food for All	8
