# Acknowledgments<sup>a</sup>

The World Health Organization gratefully acknowledges the contributions of the many individuals and organizations who contributed to this report. This work represents information collected and synthesized by the national Ministry of Health in each of the 19 countries and the national Technical Working Group partners. This report has been prepared thanks to the efforts of all listed below. The report was written by Anayda Portela, Heather Jue-Wong and Elizabeth Katwan; the data was organized and synthesized by Selina Chen, Mari Dumbaugh and Sharmada Sivaram. Thanks are also due to Peggy Henderson who reviewed and provided inputs into the final document.

## **WHO Regional Office for Africa**
