Cataloguing-in-Publication (CIP) data. CIP data are available at <http://apps.who.int/iris>.

Sales, rights and licensing. To purchase WHO publications, see <http://apps.who.int/bookorders>. To submit requests for commercial use and queries on rights and licensing, see <http://www.who.int/about/licensing>.

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

ACKNOWLEDGEMENTS

The Guidelines on the management of chronic pain in children were prepared by the World Health Organization (WHO) Department of Maternal, Newborn, Child and Adolescent Health and Ageing under the leadership of Dr Anshu Banerjee. The departments of Access to Medicines and Health Products, Health Governance and Financing, Integrated Health Services, Mental Health and Substance Abuse, and Noncommunicable Diseases also contributed. These departments were represented on the WHO Steering Group for these guidelines.

Responsible technical officers: Pura Rayco Solon and Ayesha De Costa, WHO Department of Maternal, Newborn, Child and Adolescent Health and Ageing.

WHO Steering Group members: Marie-Charlotte Bouesseau (UHL/IHS), Bernadette Daelmans (MCA/CHD), Tarun Dua (MSD/BRH), Tessa Edejer (HGF/EEA), Gilles Bernard Forté (MHP/MHA), Zeea Han (MCA/AAH), Neema Rusibamayila Kimambo (AFR/CAH), Dilkushi Poovendran (MHP/HPS), Vladimir Poznyak (MSD/ADA), Yuka Sumi (MCA/AAH), Cherian Varghese (NCD/ODN).

Guideline Development Group: WHO would like to thank the members of the Guideline Development Group (GDG) for their commitment, enthusiasm and expertise. GDG members were:

Maha Atout, Voo Teck Chuan, Leonila Dans, Megan Elizabeth Doherty, Obumneme Benaiah Ezeanosike, Jane Emily Harrop, Satbir Singh Jassal, Rhiannon Joslin, Shakilu Jumanne Kayungu, Diederik De Savorin Lohman, Susan M Lord, Justina Marianayagam, C Meghan McMurtry, Winfrida Wilfred Mwashala, Eve Namisango, Hibah Osman, Gayatri Palat, MR Rajagopal, Linda Marison Bustamante Tuche, Ben Gal Yael and Nobuyuki Yotani.

Leonila Dans and Emily Harrop co-chaired the GDG meetings.

External Review Group: WHO is grateful for the contributions of the following individuals who peer-reviewed the draft guidelines: Rashmi Bhandari, Helen Foster, Tracy Hagemann, Jane Nakawesi, Joshua Pate and Rikard Wicksell.

We would like to express our gratitude to Rebekah Thomas from the WHO Guidelines Review Committee Secretariat, and Nathan Ford and Olufemi Oladapo, Chairs of the Guidelines Review Committee for their technical support throughout the process. Thanks are also due to Alma Alic from the Department of Compliance, Risk Management and Ethics, for her support in the assessment of declarations of interests. Laure Cartillier from the Department of Maternal, Newborn, Child and Adolescent Health and Ageing provided logistical support.

WHO would like to recognize the voices of persons with lived experiences with pain whom we heard from through consultation during development of these guidelines.

Appreciation is also extended to the following individuals and teams which supported various technical aspects of these guidelines: Dr Nandi Siegfried, guideline methodologist and Dr Susan L Norris, writer. The Cochrane Pain, Palliative and Supportive Care group, the Cochrane Qualitative Implementation Methods Group, and the Cochrane Response

team were responsible for the systematic reviews. Dr Emma Fisher led the review of effectiveness and Dr Emma France led the qualitative reviews. Dr James Hawkins performed the review of economic evaluations.

Funding: *Guidelines on chronic pain in children* was funded by the World Health Organization. There were no external funders.

ABBREVIATIONS AND ACRONYMS

| | |
|----------------|--|
| ACT | acceptance and commitment therapy |
| CBT | cognitive behavioural therapy |
| CERQual | Confidence in the Evidence from Reviews of Qualitative research |
| ERG | External Review Group |
| GDG | Guideline Development Group |
| GRADE | Grading of Recommendations, Assessment, Development and Evaluation |
| GRC | WHO Guidelines Review Committee |
| LMIC | low- and middle-income country |
| NSAIDS | non-steroidal anti-inflammatory drugs |
| QALY | quality-adjusted life-year |
| PT | physical therapy or physiotherapy |
| RCT | randomized controlled trial |
| WHO | World Health Organization |
