Cataloguing-in-Publication (CIP) data. CIP data are available at <http://apps.who.int/iris>.

Sales, rights and licensing. To purchase WHO publications, see <http://apps.who.int/bookorders>. To submit requests for commercial use and queries on rights and licensing, see <http://www.who.int/about/licensing>.

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

ACKNOWLEDGEMENTS

This document represents the work and contributions from experts within and outside the World Health Organization (WHO). WHO extends its gratitude to Health Canada, Norwegian Ministry of Foreign Affairs, the Swedish Agency for International Development Cooperation and the UK Foreign Commonwealth & Development Office for their financial and technical support to develop this checklist document.

This document was written by Aderita Sena, Carlos Corvalan, Elena Villalobos Prats and Diarmid Campbell-Lendrum of the WHO Climate Change and Health Unit.

WHO extends its thanks to the following reviewers: Peter Berry (Health Canada), Jose Gesti Canuto (independent consultant), Kersten Gutschmidt (WHO), Arabella Hayter (WHO), Qudsia Huda (WHO), Jaz Lapitan (WHO), Margaret Montgomery (WHO), Frank Pega (WHO), Megha Rathi (WHO), Linda Varangu (Canadian Coalition for Green Health Care) and Salvatore Vinci (WHO).

ABBREVIATIONS

CRESHCF	climate-resilient and environmentally sustainable health care facilities
COPD	chronic obstructive pulmonary disease
IPCC	Intergovernmental Panel on Climate Change
SDG	Sustainable Development Goal
UNGA	The United Nations General Assembly
WASH	water, sanitation and hygiene
WASH FIT	Water and Sanitation for Health Facility Improvement Tool
WHO	World Health Organization
