This HFPM Data Collection Template is based on Version 2 of the Health Financing Progress Matrix country assessment released by WHO in December 2020. It should be used in conjunction with Edition 1 of the HFPM Country Assessment Guide.

Feedback and suggestions in relation to any aspect of this document are welcome and should be submitted using the online form.

Country			
Principal Investigator			
Date submitted for review	Day	Month	Year

Please summarize the main process followed in completing the assessment; this may include a summary of interviews with key informants, any meetings held with government steering or working groups, development partners, and review of key documentation, published and unpublished. Any additional Investigators should also be listed with the role played. Please write in the box below or alternatively complete the online form using this [link](#).

Process followed	
------------------	--

1. HFPM questions by assessment area

ASSESSMENT AREA	QUESTION NUMBER CODE	QUESTION TEXT CODE	QUESTION TEXT
1) Health financing policy, process and governance	Q1.1	hfstrat	Is there an up-to-date health financing policy statement guided by goals and based on evidence?
	Q1.2	govacntbl	Are health financing agencies held accountable through appropriate governance arrangements and processes?
	Q1.3	data4gov	Is health financing information systemically used to monitor, evaluate and improve policy development and implementation?
2) Revenue raising	Q2.1	revpol	Does your country's strategy for domestic resource mobilization reflect international experience and evidence?
	Q2.2	predict	How predictable is public funding for health in your country over a number of years?
	Q2.3	stable	How stable is the flow of public funds to health providers?
	Q2.4	prgrsv	To what extent are the different revenue sources raised in a progressive way?
	Q2.5	hlthtax	To what extent does government use taxes and subsidies as instruments to affect health behaviours?
	Q3.1	poolpol	Does your country's strategy for pooling revenues reflect international experience and evidence?
	Q3.2	redistlim	To what extent is the capacity of the health system to re-distribute prepaid funds limited?
