## FIGURES AND TABLE

<b>Fig. 1</b>	Life expectancy at birth by sex, selected countries in the Western Pacific Region, 2016.....	4
<b>Fig. 2</b>	Life expectancy at birth by sex and indigenous status, Australia, 2006–2031.....	4
<b>Fig. 3</b>	HIV incidence rate per 1000 uninfected population aged 15–49 years, by sex, 2016.....	6
<b>Fig. 4</b>	HIV incidence rate per 1000 uninfected population aged 15–49 years, by sex, 2000–2016.....	6
<b>Fig. 5</b>	Proportion of persons who have heard of HIV or AIDS, by level of education and sex, various years.....	7
<b>Fig. 6</b>	Antiretroviral therapy coverage among key populations, selected countries in the Western Pacific Region, 2017.....	7
<b>Fig. 7</b>	Road traffic crashes, age-standardized death rates, per income populations aged 15 years and over, by sex, 2012.....	9
<b>Fig. 8</b>	Mortality rate attributed per 100 000 population to unintentional poisoning, by sex, 2016.....	10
<b>Fig. 9</b>	Estimated rate of homicide per 100 000 population, by sex, 2016.....	12
<b>Fig. 10</b>	Estimated rate of homicide per 100 000 population, by sex, Philippines, 2005–2016.....	12
<b>Fig. 11</b>	Probability of dying from any of cardiovascular disease, cancer, diabetes or chronic respiratory disease between age 30 and exact age 70, by sex, 2016.....	13
<b>Fig. 12</b>	Thirty-day mortality after admission to hospital for acute myocardial infarction, by sex, selected countries in the Western Pacific Region, 2014.....	14
<b>Fig. 13</b>	Prevalence of use of modern methods of contraception among married or in-union women aged 15–49 years, by wealth quintile, residence and education, selected countries in the Western Pacific Region, 2005–2014.....	16
<b>Fig. 14</b>	Demand for family planning satisfied by modern methods of contraception among married or in-union women aged 15–49 years by wealth quintile, residence and education, selected countries in the Western Pacific Region, various years.....	17
<b>Fig. 15</b>	Adolescent birth rate women aged 15–19 years, by wealth quintile (urban) and residence, selected countries in the Western Pacific Region, various years.....	19
<b>Fig. 16</b>	Percentage of births delivered in a health facility, by wealth quintile and residence, selected countries in the Western Pacific Region, various years.....	21
<b>Fig. 17</b>	Percentage of births delivered in a health facility, by residence, China, 1985–2015.....	22
<b>Fig. 18</b>	Skilled birth attendance, by wealth quintile, residence and maternal education, selected countries in the Western Pacific Region, various years.....	22
<b>Fig. 19</b>	Neonatal mortality rate, by wealth quintile, residence and maternal education, selected countries in the Western Pacific Region, various years.....	25
<b>Fig. 20</b>	Neonatal mortality rate, by wealth quintile, selected countries in the Western Pacific Region, 1997–2014.....	25
<b>Fig. 21</b>	Proportion of newborns with low birth weight by residence, Lao People's Democratic Republic and Mongolia, various years.....	26
<b>Fig. 22</b>	Proportion of newborns reported to be born very small, by wealth quintile, residence and maternal education, Cambodia and the Philippines, various years.....	27
<b>Fig. 23</b>	Percentage of newborns who had a postnatal check-up within the first two days after birth, by wealth quintile and residence, selected countries in the Western Pacific Region, various years.....	28
<b>Fig. 24</b>	Percentage of newborns who had a postnatal check-up within the first two days after birth, by wealth quintile and residence, Cambodia, 2010 and 2014.....	29
<b>Fig. 25</b>	Full immunization coverage among 1-year-olds, by wealth quintile, residence, maternal education and sex, selected countries in the Western Pacific Region, various years.....	30
<b>Fig. 26</b>	Measles immunization coverage among 1-year-olds, by wealth quintile, residence, maternal education and sex, selected countries in the Western Pacific Region, 2006–2014.....	32
<b>Fig. 27</b>	DTP3 immunization coverage among 1-year-olds, by wealth quintile, residence, maternal education and sex, various years.....	33

<b>Fig. 28</b>	Percentage of children under 5 years of age with suspected pneumonia who were taken to a health facility, by wealth quintile, residence and sex, selected countries in the Western Pacific Region, various years.....	35
<b>Fig. 29</b>	Stunting prevalence among children aged under 5 years, by wealth quintile, residence and maternal education, selected countries in the Western Pacific Region, various years.....	38
<b>Fig. 30</b>	Wasting prevalence among children aged under 5 years, by wealth quintile, residence and maternal education, selected countries in the Western Pacific Region, various years.....	40
<b>Fig. 31</b>	Stunting prevalence among children aged under 5 years, by wealth quintile, residence and sex, selected countries in the Western Pacific Region, various years.....	41
<b>Fig. 32</b>	Overweight prevalence among children aged under 5 years, by wealth quintile, residence and maternal education, selected countries in the Western Pacific Region, various years.....	43
<b>Fig. 33</b>	Overweight prevalence among children aged under 5 years, by residence and sex, selected countries in the Western Pacific Region, various years.....	44
<b>Fig. 34</b>	Overweight prevalence among children aged 5–9 years and 10–19 years, by sex, selected countries in the Western Pacific Region, 2016.....	45
<b>Fig. 35</b>	Age-standardized prevalence of insufficient physical activity, by sex, selected countries in the Western Pacific Region, 2010.....	47
<b>Fig. 36</b>	Prevalence of physical activity by type, by sex and residence, selected countries in the Western Pacific Region, 2010.....	48
<b>Fig. 37</b>	Prevalence of leisure-time physical activity, by sex and ethnicity, Fiji and Malaysia, 2010.....	48
<b>Fig. 38</b>	Prevalence of leisure-time physical activity, by sex and income level, China and Malaysia, 2010.....	49
<b>Fig. 39</b>	Prevalence of leisure-time physical activity, by sex and level of education, selected countries in the Western Pacific Region, 2010.....	49
<b>Fig. 40</b>	Harmful alcohol use, by sex, selected countries in the Western Pacific Region, 2010.....	51
<b>Fig. 41</b>	Harmful alcohol use, by residence and sex, China and Fiji, 2010.....	52
<b>Fig. 42</b>	Harmful alcohol use, by level of education and sex, selected countries in the Western Pacific Region, 2010.....	52
<b>Fig. 43</b>	Current tobacco use among youth, by sex, selected countries in the Western Pacific Region, 2003–2006.....	54
<b>Fig. 44</b>	Current smoking, by sex, selected countries in the Western Pacific Region, 2010.....	55
<b>Fig. 45</b>	Prevalence of overweight and obesity, by sex, selected countries in the Western Pacific Region, 2016.....	57
<b>Fig. 46</b>	Prevalence of obesity, by sex, selected countries in the Western Pacific Region, 2016.....	58
<b>Fig. 47</b>	Overweight and obese persons by socioeconomic quintile and sex, Australia, 2014–2015.....	59
<b>Fig. 48</b>	Obesity, by residence, selected countries in the Western Pacific Region, 2010.....	59
<b>Fig. 49</b>	Obesity, by level of education, selected countries in the Western Pacific Region, 2010.....	60
<b>Fig. 50</b>	Obesity, by income level, China and Malaysia, 2010.....	60
<b>Fig. 51</b>	Proportion of adults with raised fasting blood glucose (age-standardized estimate), by sex, selected countries in the Western Pacific Region, 2014.....	61
<b>Fig. 52</b>	Age-standardized prevalence of raised blood pressure, by sex, selected countries in the Western Pacific Region, 2015.....	62
<b>Fig. 53</b>	Prevalence of high blood glucose, by sex, residence and education, selected countries in the Western Pacific Region, 2015.....	63
<b>Fig. 54</b>	Prevalence of raised blood pressure, by sex, residence and education, selected countries in the Western Pacific Region, 2010.....	64
<b>Fig. 55</b>	Proportion of the population with access to drinking-water, by wealth quintile and residence, selected countries in the Western Pacific Region, 2015.....	66
<b>Fig. 56</b>	Proportion of the population with access to sanitation facilities, by residence, selected countries in the Western Pacific Region, 2015.....	68
<b>Fig. 57</b>	Proportion of the population using handwashing facilities, by wealth quintile and residence, selected countries in the Western Pacific Region, 2015.....	70
<b>Fig. 58</b>	Detected victims of trafficking, by age and sex, countries in the Western Pacific Region, 2014.....	71
<b>Fig. 59</b>	Detected victims of trafficking, by sex and exploitation, countries in the Western Pacific Region, 2014 (or most recent).....	72

<b>Fig. 60</b>	Proportion of women aged 15–49 who experienced physical or sexual violence committed by husband/partner in past 12 months, by age, selected countries in the Western Pacific Region, various years.....	73
<b>Fig. 61</b>	Proportion of women aged 15–49 who experienced physical or sexual violence committed by husband/partner in past 12 months, by wealth quintile and education, selected countries in the Western Pacific Region, various years.....	74
<b>Fig. 62</b>	Attitudes towards wife beating, by sex, wealth quintile and residence, selected countries in the Western Pacific Region, various years.....	74
<b>Fig. 63</b>	Percentage of children aged 1–14 years who experience any violent discipline (psychological aggression and/or physical punishment), by wealth quintile, residence and sex, selected countries in the Western Pacific Region, various years.....	76
<b>Fig. 64</b>	Percentage of children aged under 5 years whose births are registered, by wealth quintile and residence, selected countries in the Western Pacific Region, various years.....	79
<b>Fig. 65</b>	Coverage of social protection programmes, by wealth quintile and residence, selected countries in the Western Pacific Region, various years.....	81
<b>Fig. 66</b>	GINI coefficient index, selected countries in the Western Pacific Region, 1995–2016.....	83
<b>Fig. 67</b>	Percentage of population living below the international poverty line, PPP US\$ 1.90 (poverty headcount ratio), selected countries in the Western Pacific Region, 2002–2016.....	84

#### In annexes

<b>Fig. A1</b>	Western Pacific Region logic model.....	93
<b>Fig. A2</b>	Framework for action on social determinants of health.....	95
<b>Fig. A3</b>	Patterns of inequitable distribution.....	95

<b>Table 1.</b>	Suicide rate, by age and sex, selected countries in the Western Pacific Region, 2016.....	11
-----------------	---	----

## ABBREVIATIONS

<b>ART</b>	antiretroviral therapy
<b>CVD</b>	cardiovascular disease
<b>CRD</b>	chronic respiratory disease
