Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

ACKNOWLEDGEMENTS

he development of this document was coordinated by the World Health Organization (WHO) Department of Nutrition and Food Safety (NFS). The preparation was led by Evelyn Boy-Mena under the direction of Francesco Branca, Director, NFS, with valuable inputs from Lina Mahy, Genevieve Moseley, and Niisoja Torto. Technical contributions from Kaia Engesveen, Laurence M. Grummer-Strawn, Joyce Haddad, Marjolaine Nicod, Chizuru Nishida, Juan Pablo Peña-Rosas, Kuntal Saha, Karin Stenberg and Jørgen Torgerstuen Johnsen are appreciated.

WHO also acknowledges the excellent collaboration, dedication and technical contributions of the following organizations to the development of this publication.

- 1,000 Days
- Action Contre La Faim
- African Development Bank
- Bill & Melinda Gates Foundation
- Children's Investment Fund Foundation
- Department for International Development, U.K.
- Department of Foreign Affairs, Ireland
- Emergency Nutrition Network
- Ministry of Foreign Affairs, Japan
- No Wasted Lives
- Nutrition International
- Results for Development
- Save The Children
- Scaling Up Nutrition
- UHC2030
- United Nations Children's Fund
- United States Agency for International Development
- Water Aid
- The World Bank
- World Vision International
