Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

WHO Photographs. WHO photographs are copyrighted and are not to be reproduced in any medium without obtaining prior written permission. Requests for permission to reproduce WHO photographs should be addressed to: [http://www.who.int/about/licensing/copyright\\_form/en/](http://www.who.int/about/licensing/copyright_form/en/)

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO or FAO concerning the legal or development status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products, whether or not these have been patented, does not imply that they are endorsed or recommended by WHO or FAO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO and FAO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO and FAO be liable for damages arising from its use.

## MEETING REPORT

The Second Global Meeting of the  
FAO/WHO International Food Safety  
Authorities Network

**(INFOSAN)**

9-11 DECEMBER 2019

Abu Dhabi, United Arab Emirates

# CONTENTS

<b>Acknowledgements</b>	3
<b>Acronyms</b>	4
<b>Executive summary</b>	5
<b>Introduction</b>	9
Meeting background	9
Meeting composition	9
Opening remarks	10
Meeting objectives	11
<b>Keynote address</b>	12
 <b>SESSION 1:</b>	
<b>Global overview of INFOSAN</b>	14
Looking back – INFOSAN in Review: 2004-2019	15
Looking forward – INFOSAN Strategic Plan: 2020-2025	17
The updated INFOSAN Members' Guide: reviewing processes and procedures	18
The (new) INFOSAN Community Website	19
 <b>SESSION 2:</b>	
<b>INFOSAN in action: Spotlight on <i>Listeria monocytogenes</i></b>	21
Introduction to <i>Listeria monocytogenes</i> and listeriosis	22
Outbreak of listeriosis in South Africa, 2017-2018	23
Outbreak of listeriosis in Spain, 2019	24
Outbreak of listeriosis linked to internationally distributed frozen vegetables from Hungary, 2015-2018	25
Lessons learned from listeriosis outbreaks	26
 <b>SESSION 3:</b>	
<b>INFOSAN as a network of networks</b>	28
Introduction and overview	29
European Rapid Alert System for Food and Feed (RASFF)	30
Gulf Cooperation Council (GCC) Rapid Alert System for Food (RASFF)	31
Arab RASFF	32
Association of South-East Asian Nations RASFF	33
European Food Safety Authority's Emerging Risks Exchange Network	34

**SESSION 4:**

<b>Country showcase: sharing food safety information between sectors and across borders using INFOSAN</b>	36
Canada's food recall notification procedure with INFOSAN	37
Investigation of foodborne diseases and outbreaks in Abu Dhabi, United Arab Emirates (UAE)	38
Australian experience on sharing information on international recalls through INFOSAN	39

**SESSION 5:**

<b>Regional Focus</b>	40
Introduction and overview of group work	41
Reports from regional break-out groups	41

**SESSION 6:**

<b>Sharing best practices and lessons learnt related to food safety event alert and response</b>	43
Food safety management in the Republic of Korea	44
Rapid alert system (comprehensive approach) in Abu Dhabi, UAE	45
Lessons learned from a national INFOSAN workshop to strengthen the food safety alert system in Ghana	46

**SESSION 7:**

<b>Examples of INFOSAN members strengthening the global INFOSAN community</b>	48
How the United States of America (USA) actively participates in INFOSAN	49
How New Zealand is supporting INFOSAN	50

**SESSION 8:**

<b>Facilitated "Hard Talk" Expert Panel</b>	51
1. Use of whole genome sequencing to revolutionize outbreak investigation and food safety	
2. Food fraud	
3. Artificial intelligence and big data impact on future risk assessment and risk management	
4. Challenges associated with food safety and e-Commerce	
5. Risk analysis	
6. Panel summary	

**SESSION 9:**

<b>Meeting wrap-up and closing remarks</b>	54
Moving forward together: Next steps	55
Closing remarks	56

<b>Appendix 1 – Meeting agenda</b>	57
<b>Appendix 2 – Reports from regional break-out groups</b>	62
<b>Appendix 3 – Summary of regional side meetings</b>	68
<b>Appendix 4 – Summary of post-meeting evaluation survey</b>	70

# ACKNOWLEDGEMENTS

On behalf of the Food and Agriculture Organization of the United Nations (FAO), the World Health Organization (WHO) and the Abu Dhabi Agriculture and Food Safety Authority (ADAFSA), the Secretariat of the International Food Safety Authorities Network (INFOSAN) wishes to express its sincere thanks to all those who contributed to the success of this meeting.

In addition, FAO and WHO wish to express our deepest gratitude to His Excellency Sheikh Mansour bin Zayed Al-Nahyan, the Deputy Prime Minister of the United Arab Emirates (UAE), Minister of Presidential Affairs and Chairman of ADAFSA and His Excellency Saeed Albahri Alamri, Director General of ADAFSA, for sponsoring the meeting and for the generous hospitality offered. Our gratitude is extended to the staff at the ADAFSA who worked tirelessly in preparation for the meeting, including the team led by Mouza al Muhairi and supported by Fadi Al Natour. Without their unwavering support, the meeting would not have been a success.

We also wish to acknowledge several other agencies for their financial contributions to the meeting which enabled the participation of so many INFOSAN members from around the world. These agencies include the United States Food and Drug Administration (US FDA), the Canadian Food Inspection Agency (CFIA) and the Ministry of Food and Drug Safety (MFDS).

Finally, we express our thanks to all participants and presenters for their valuable technical input, contributions and collegiality during the meeting.

# ACRONYMS

AAC	Administrative Assistance and Coordination system
ADAFSA	Abu Dhabi Agriculture and Food Safety Authority
AIDS	Acquired immune deficiency syndrome
AI	Artificial Intelligence
Arab SAFE	Arab Food Safety Initiatives for Trade Facilitation
ARASFF	ASEAN RASFF
ASEAN	Association of South-East Asian Nations
CCEURO	FAO/WHO Coordinating Committee for Europe
CFIA	Canadian Food Inspection Agency
cgMLST	core genome multilocus sequence typing
CPLP	Community of Portuguese Language Countries
DG SANTE	Directorate-General for Health and Food Safety
ECP	Emergency Contact Point
EFSA	European Food Safety Authority
EREN	Emerging Risks Exchange Network
EC	European Commission
ECDC	European Centre for Disease Prevention and Control
EPIS	Epidemic Intelligence Information System
EU	European Union
EWRS	Early Warning and Response System
FAO	Food and Agriculture Organization of the United Nations
FDA (US)	Food and Drug Administration
FDA (Ghana)	Food and Drugs Authority
FP	Focal Point
GCC-RASF	Gulf Cooperation Council Rapid Alert System for Food
GOARN	Global Outbreak Alert and Response Network
HIV	Human immunodeficiency virus
HQ	Headquarters
ICW	INFOSAN Community Website
IHR	International Health Regulations (2005)
