**Sales, rights and licensing.** To purchase WHO publications, see https://apps.who.int/bookorders. To submit requests for commercial use and queries on rights and licensing, see https://www.who.int/about/licensing.

**Third-party materials.** If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

**General disclaimers.** The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

# Abbreviations

BOR	Bed occupancy rate
HEPA	High efficiency particulate air
ISWA	International Solid Waste Association
SDG	Sustainable Development Goal
TEQ	Toxic equivalent
UN	United Nations
UNEP	United Nations Environment Programme
UNICEF	United Nations Children's Fund
WASH	Water, sanitation and hygiene
WHA	WHA World Health Assembly
WHO	World Health Organization

# Acknowledgements

The lead author of this document was Dr Ute Pieper. Ms Arabella Hayter, Dr Maggie Montgomery and Mr Bruce Gordon (Water, Sanitation, Hygiene and Health Unit, WHO HQ) provided technical inputs and review.

A number of professionals, including from WHO, UNICEF and the health care waste working group of the International Solid Waste Association (ISWA) reviewed and contributed to this document. The input of the ISWA working group was coordinated by Ms Jennifer MacDonald.

The contributing experts include:

Mr Marino Alonso, Matachana Group, Barcelona, Spain

Dr Arshad Altaf, WHO, Geneva, Switzerland

Dr Elisa Benedettini, NEWSTER Group, City of San Marino, San Marino

Mr Fabrice Fotso, UNICEF, Dakar, Senegal

Ms Beatrice Giordani, NEWSTER Group, City of San Marino, San Marino

Dr Terry Grimmond, Grimmond and Associates, Hamilton, New Zealand

Mr Viktor Hristov, Independent Consultant, Skopje, Macedonia

Mr Roland Katschnig, METEKA GmbH, Judenburg, Austria

Mr Lutz Kempe, Technologie Transfer Marburg e. V. - TTM, Cölbe, Germany

Mr Edward Krisiunas, WNWN International, Burlington, United States of America

Mr Jan-Gerd Kühling, ETLog Health Consulting GmbH, Kremmen, Germany

Mr Lars-Erik Lindholm, BBD -OZONATOR AB, Linnegatan, Stockholm

Mr Miquel Lozano, Tesalys, Saint-Jean, France

Ms Claire Papadi, Antipollution SA, Piraeus, Greece

Mr Raj Rathamano, Manitoba Sustainable Development, Winnipeg, Canada

Mr Omar Fernandez Sanfrancisco, ATHISA GROUP, Peligros, Spain

Mr Jeff Squalli, Ecodas, Lille Area, France

Ms Ruth Stringer, Health Care Without Harm, Exeter, United Kingdom

Ms Marie Van Sull, AMB ecosteryl, Mons, Belgium

Dr Anne Woolridge, Independent Safety Services Ltd, Sheffield, United Kingdom
