Cataloguing-in-Publication (CIP) data. CIP data are available at http://apps.who.int/iris.

Sales, rights and licensing. To purchase WHO publications, see http://apps.who.int/bookorders. To submit requests for commercial use and queries on rights and licensing, see http://www.who.int/about/licensing.

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

Acknowledgements

The *Integrated care for older people (ICOPE) implementation framework: guidance for systems and services* was coordinated by the World Health Organization (WHO) Department of Ageing and Life Course. Islene Araujo de Carvalho oversaw the preparation of this document with Yuka Sumi.

The WHO Department of Ageing and Life Course gratefully acknowledges the participants of the global Delphi study and consultation meeting, who have informed the development of this framework. Islene Araujo de Carvalho and Andrew Briggs have written the document with thanks for editing by Markus MacGill of Green Ink to maximize the framework's usability. Yuka Sumi, Jotheeswaran Amuthavalli Thiyagarajan, Anne-Margriet Pot and John Beard are thanked for their contributions to developing the framework as officers in the WHO Department of Ageing and Life Course; so too are officers from other departments, including Dena Javadi (WHO Alliance for Health Policy and Systems) and Nuria Toro Polanco (WHO Department of Services Organization and Clinical Interventions). Thanks to Professor Michael Kidd and Assistant Professor Michelle Nelson, both from the University of Toronto, for providing feedback on earlier versions of the framework.

The department would like to thank the ICOPE steering group (in alphabetical order): Shelly Chadha and Alarcos Cieza (WHO Department for Management of Noncommunicable Diseases, Disability, Violence and Injury Prevention), Tarun Dua (WHO Department of Mental Health and Substance Abuse), Maria De Las Nieves Garcia Casal (WHO Department of Nutrition for Health and Development), Manfred Huber (WHO Regional Office for Europe), Ramez Mahaini (WHO Regional Office for the Eastern Mediterranean), Silvio Paolo Mariotti (WHO Department for Management of Noncommunicable Diseases, Disability, Violence and Injury Prevention), Alana Margaret Officer (WHO Department of Ageing and Life Course), Taiwo Adedemola Oyelade (WHO Regional Office for Africa), Juan Pablo Peña-Rosas (WHO Department of Nutrition for Health and Development), Neena Raina (WHO Regional Office for South-East Asia), Katherine Silburn (WHO Regional Office for the West Pacific), Mark Humphrey Van Ommeren (WHO Department of Mental Health and Substance Abuse), Enrique Vega Garcia (WHO Regional Office for the Americas/Pan-American Health Organization).

The WHO Department of Ageing and Life Course acknowledges the financial support of the Government of Japan and Kanagawa Prefectural Government in Japan for the development of the ICOPE implementation framework.

Editing by Green Ink.

Abbreviations

FA	functional ability
HR	human resources
IC	intrinsic capacity
