Cataloguing-in-Publication (CIP) data. CIP data are available at <http://apps.who.int/iris>.

Sales, rights and licensing. To purchase WHO publications, see <http://apps.who.int/bookorders>. To submit requests for commercial use and queries on rights and licensing, see <http://www.who.int/about/licensing>.

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

ACKNOWLEDGEMENTS

The WHO Joint External Evaluation (JEE) Secretariat would like to acknowledge the following, whose support and commitment to the principles of the International Health Regulations (2005) have ensured a successful outcome to this JEE mission:

- The Government and national experts of Finland for their support of, and work in, preparing for the JEE mission. (The Finnish Ministry of Social Affairs and Health, Ministry of Agriculture and Forestry, Ministry of the Interior, Ministry of Defence, Ministry of Transport and Communications, Ministry of Foreign Affairs, National Institute for Health and Welfare, Food Safety Authority, Radiation and Nuclear Safety Authority, Finnish Institute of Occupational Health, Defence Forces, Transport Safety Agency.)
- The governments of Germany, Estonia, Israel, the Netherlands and Sweden, for providing technical experts for the peer review process.
- The European Centre for Disease Prevention and Control (ECDC), Food and Agricultural Organization of the United Nations (FAO), and the World Organisation for Animal Health (OIE) for their contribution of experts and expertise.
- The following WHO entities: WHO Regional Office for Europe, WHO HQ Country Health Emergencies Preparedness and IHR Department.
- Global Health Security Agenda for their collaboration and support.
