Suggested citation. Emergency response framework – 2nd ed. Geneva: World Health Organization; 2017. Licence: CC BY-NC-SA 3.0 IGO.

Cataloguing-in-Publication (CIP) data. CIP data are available at <http://apps.who.int/iris>.

Sales, rights and licensing. To purchase WHO publications, see <http://apps.who.int/bookorders>. To submit requests for commercial use and queries on rights and licensing, see <http://www.who.int/about/licensing>.

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

Printed in Switzerland.

CONTENTS

Abbreviations.....	1
Glossary	3
Executive summary	5
Introduction	6
Purpose of the Emergency Response Framework	7
Key definitions	7
WHO's Health Emergencies Programme functions.....	8
WHO's obligations under the International Health Regulations (2005) and Interagency Standing Committee.....	8
WHO's critical functions for emergency response	9
WHO's core commitments in emergency response.....	10
WHO's guiding principles for emergency response	11
WHO's "no regrets" policy.....	13
Successful implementation of the ERF	13
CHAPTER 1: Risk assessment and situation analysis	14
Public health events: rapid risk assessment.....	15
Information collection and analysis.....	16
Event verification.....	17
Activation of Standard Operating Procedures and use of emergency funding for field investigation and risk assessment	17
Rapid risk assessment.....	18
Elements of the rapid risk assessment.....	19
Risk characterization and determination of risk level.....	19
Recommendations regarding risk assessment	20
Communication of event detection, verification and risk assessment	20
Emergencies: situation analysis.....	22
Activation of Standard Operating Procedures and use of emergency funding for early warning/early action.....	23
Criteria for assessing needs	24
Recommendations regarding situation analysis.....	25

CHAPTER 2: WHO grading of public health events and emergencies	26
Purpose of grading	26
Triggers for grading.....	27
Timing of grading.....	27
Responsibility for grading.....	27
WHO levels for graded emergencies.....	28
Single countries with multiple grades or multiple countries with a single grade	29
Documentation of the grading process	30
Declaration and communication of grades	30
Review of the grade.....	31
Removal of the grade or conversion to protracted emergency	32
Grading of protracted emergencies	32
CHAPTER 3: The Incident Management System (IMS).....	34
Key concepts and principles.....	34
Activation of the Incident Management System.....	35
WHO responsibilities and accountabilities in operational response	36
Emergency SOPs	37
Technical and Operational Support to Country Operations	37
WHO's critical functions in the IMS	39
CHAPTER 4: Emergency performance standards and key performance indicators	52
CHAPTER 5: WHO Emergency Response Procedures	55
Annex 1: Classification of hazards.....	66
Annex 2: Emergency grading template	68

ABBREVIATIONS
