To submit requests for commercial use and queries on rights and licensing, see <a href="http://www.who.int/about/licensing">http://www.who.int/about/licensing</a>.

**Third-party materials.** If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

# **Contents**

Aknowledgments	\
Executive summary	1
Project description, rationale and context	1
Overall outcomes	2
Lessons learned	
Part I: Overview	7
Project description, rationale and context	7
Objectives	10
Expected deliverables	10
Performance monitoring framework	10
Grant coordination and supervision	12
Risks and their mitigation	12
Gender equality	13
Part II: Global and regional outcomes	15
Part III: Country activities and outcomes	21
Part IV: Analysis of project performance	73
Relevance	73
Project design	73
Sustainability	73
Partnership	73
Part V: Lessons learned and next steps	75
Part VI: Financial management report	78
Annex A: Country activities and sub-activities	81
Annex B: Country-by-country outputs and outcomes	98
Annex C: Staff trained by country	104
<b>Annex D:</b> Partners by country, in addition to implementing partner	106

# **Acknowledgments**

his report was prepared under the leadership of Francesco Branca, Director of the WHO Department of Nutrition for Health and Development (WHO/NHD), in close collaboration with staff from WHO headquarters (Monika Blössner, Kaia Engesveen, Chizuru Nishida and Katerina Ainali), the Regional Office for Africa (Adelheid Onyango) and inter-country support teams (Hana Bekele and Elisa Dominguez). We extend our appreciation to the group at the Berman Institute of Bioethics and the School of Advanced International Studies at Johns Hopkins University (Jessica Fanzo, Rebecca McLaren and Haley Swartz) for their considerable input. Thanks go to Cathy Wolfheim for editing and coordinating the production of the document.

WHO/NHD is grateful to Global Affairs Canada for the financial and technical support provided to the Accelerating Nutrition Improvements project.

### (WHO Award 59470; GAC PO 7058566)

Project Budget: CAN\$ 7 800 000

Project duration: 29 March 2012 - 30 September 2016

Submitted by:

Dr Francesco Branca

Director of Nutrition for Health and Development

World Health Organization

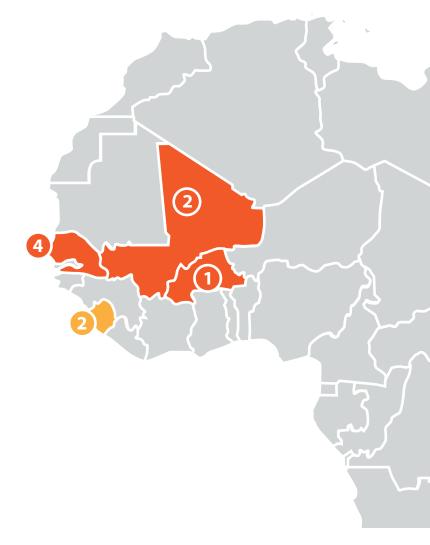

## **ANI Project Map**

### Surveillance

- Burkina Faso
- 2 Mali
- Mozambique
- 4 Senegal

### Surveillance + scale up

- 1 Ethiopia
- 2 Uganda
- United Republic of Tanzania
