# Acknowledgements

The authors of this case study would like to sincerely thank those who agreed to be interviewed as well as all of the focus group participants. We wish to also express gratitude to Dr. Amphon Jindawatthana, former Secretary-General of the National Health Commission, who gave us a superb overview of the National Health Assembly history and process, and imparted his wealth of institutional memory on both the Health System Reform Office work as well as the initial years of the National Health Commission Office.

We gratefully acknowledge external reviews by Liviu Vedrasco, WHO Thailand, and Kumanan Rasanathan, UNICEF headquarters.

This work was closely supervised by Dr. Agnes Soucat, Director, Health Systems Governance and Financing, WHO headquarters.
