Requests for permission to reproduce or translate WHO publications –whether for sale or for non-commercial distribution– should be addressed to WHO Press through the WHO website (www.who.int/about/licensing/copyright_form/en/index.html).

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization be liable for damages arising from its use.

Contents

Abbreviations	v
Part 1. Introduction	3
1.1 What is a Country Cooperation Strategy?	3
1.2 Purpose of the CCS	3
1.3 The SDGs and implications for WHO CCSs	6
1.4 What's new in the CCS Guide 2016?	7
Part 2. The CCS process	11
2.1 An overview of the CCS process	11
2.2 Quick update of the CCS Strategic Agenda	12
Part 3. The core features of a CCS document	17
Executive summary	17
Chapter 1 • Introduction	17
Chapter 2 • Health and development situation	18
2.1 Political, social and macroeconomic context	18
2.2 Health status (burden of disease)	18
2.3 Health system response	18
2.4 Cross-cutting issues (equity – “leaving no one behind”, gender, human rights, etc.)	19
2.5 Development partners' environment	19
2.6 Review of WHO's cooperation over the past CCS cycle	20
Chapter 3 • Setting the Strategic Agenda for WHO cooperation	20
Chapter 4 • Implementing the Strategic Agenda: implications for the Secretariat	22
Chapter 5 • Monitoring and evaluation of the CCS	23
5.1 Participation in CCS monitoring and evaluation	23
5.2 Timing	23
5.3 Evaluation methodology	23

The Toolbox – Annexes	27
Annex 1 – Guidance for developing a CCS in countries in fragile situations	28
Annex 2 – Detailed description of the process of formulating and evaluating a CCS	32
Annex 3 – Integrating essential gender, health equity and human rights criteria into the CCS process and document	36
Annex 4 – Guidance and template for preparing WHO CCS briefs	37
Annex 5 – Basic indicators for CCS documents	40
Annex 6 – Examples of questions related to the health system to guide the health situation analysis	41
Annex 7 – Examples of questions related to cross-cutting issues to guide the health situation analysis	44
Annex 8 – Examples of questions related to the development partner environment to guide the health situation analysis	45
Annex 9 – Sample template for key stakeholder analysis	47
Annex 10 – Examples of questions related to country contributions to the global health agenda to guide the health situation analysis	48
Annex 11 – Example of a priority-setting methodology (refined PAHO-adapted Hanlon Method) and decision matrix and issues to consider for selecting from among potential strategic priorities and focus areas	49
Annex 12 – Country example of linking (validating) CCS focus areas with NHPSP priorities, GPW outcomes, SDG targets and UNDAF outcomes	51
Annex 13 – Example of a framework for the CCS mid-term evaluation	53
Annex 14 – Example of a framework for the CCS final evaluation	56
Annex 15 – Mapping health-related SDG targets against GPW outcomes	58
Annex 16 – Example of a framework for assessing the quality and relevance of the CCS Strategic Agenda and assessing the need to update the CCS Strategic Agenda	65
Annex 17 – Guidance for integrating health emergency risk assessment, capacity assessment on emergency risk management for health, and WHO readiness for emergency response into a CCS	66
Annex 18 – Examples of questions related to the SDGs to guide the health situation analysis	69
Annex 19 – CCS clearance process and use of CCS document	70

Abbreviations
