Publications of the World Health Organization are available on the WHO website (<http://www.who.int>) or can be purchased from WHO Press, World Health Organization, 20 Avenue Appia, 1211 Geneva 27, Switzerland (tel.: +41 22 791 3264; fax: +41 22 791 4857; email: bookorders@who.int).

Requests for permission to reproduce or translate WHO publications –whether for sale or for non-commercial distribution– should be addressed to WHO Press through the WHO website (http://www.who.int/about/licensing/copyright_form/index.html).

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization be liable for damages arising from its use.

CONTENTS

EXECUTIVE SUMMARY	3
ACKNOWLEDGEMENTS	5
WHO CONTRIBUTORS	7
ACRONYMS	7
DEFINITIONS	8
1. INTRODUCTION	9
1.1 Background	9
1.2 Purpose and scope	10
1.3 Methodology	10
2. LEGAL FRAMEWORK	12
3. COMMUNICATION	13
3.1 Essential arrangements for communication available at all times	13
3.2 Communication from port to national level	14
3.3 Communication between ports	14
3.4 Communication with media	15
4. EVENT DETECTION	16
5 PRELIMINARY STANDARD RESPONSE AT THE PORT	17
5.1 Event verification	17
5.2 Ascertaining immediate arrangements – preliminary assessment and reporting	17
6. EVENT RISK ASSESSMENT AT THE PORT LEVEL	20
6.1 Risk assessment procedure at the port level	20
6.2 Assessment on board the ship	23
6.3 Update of assessment	25
6.4 Risks at the port environment or during the activities of travellers while ashore	25
7 RESPONSE MEASURES	25
7.1 Roles and responsibilities	25
7.2 Events where the competent authority should consider taking action	27
7.3 Response measures to events of infectious diseases	27
7.4 Health measures for selected situations of an infectious nature	30

7.5 Response measures to events related to risks in the environment	33
7.6 Response measures to events of unknown etiology including chemical and radiological hazards	33
7.7 Additional health measures that significantly interfere with international traffic	34
7.8 Safeguard measures of personnel involved in event management	34
8. OPTIONS FOR HEALTH MEASURES	34
8.1 Public health measures with respect to persons	34
8.2 Public health measures with respect to ships and inanimate objects	41
8.3 Use of specific health measures to ensure the safe handling and transport of human remains	44
8.4 Public health measures for affected animals	45
REFERENCES	46
Annex 1. Events of infectious diseases linked with ships based on a literature review	49
Annex 2. Disease-specific measures	50
Annex 3. Event management flowchart	58
Annex 4. Guidance on establishing public health assessment interview spaces	59
