ACKNOWLEDGEMENTS

The Department of Reproductive Health and Research at the World Health Organization (WHO) would like to thank the members of the STI Guideline Development Group for their consistent availability and commitment to making these guidelines possible. The Department is also grateful to the STI External Review Group for peer reviewing these guidelines, and appreciates the contribution of the WHO Steering Committee. The names of the members of each group are listed below, with full details provided in Annex A.

Special thanks to Dr Nancy Santesso, the guideline methodologist who also led the systematic review process, for her hard work and firm commitment of the guideline development process. We also thank the members of the Systematic Review Team from McMaster University.

We appreciate the overall support of the WHO Guideline Review Committee Secretariat during the guideline development process, with grateful thanks to Dr Susan Norris.

We thank Theresa Ryle for the administrative support, 400 Communications for assistance with the guideline design and layout. This guideline document was edited by Ms Jane Patten, of Green Ink, United Kingdom.

Dr Teodora Wi led the guideline development process and Dr Nathalie Broutet co-led the process under the supervision of Dr James Kiarie and leadership of Dr Ian Askew. Lee Sharkey provided support during the guideline development process.

FUNDING

The preparation and printing of the guidelines were funded exclusively by the UNDP/UNFPA/UNICEF/WHO/World Bank Special Programme of Research, Development and Research Training in Human Reproduction (HRP). No external source of funding was solicited or utilized.
