Publications of the World Health Organization are available on the WHO website (www.who.int) or can be purchased from WHO Press, World Health Organization, 20 Avenue Appia, 1211 Geneva 27, Switzerland (tel.: +41 22 791 3264; fax: +41 22 791 4857; e-mail: bookorders@who.int). Requests for permission to reproduce or translate WHO publications – whether for sale or for non-commercial distribution – should be addressed to WHO Press through the WHO website (www.who.int/about/licensing/copyright_form/en/index.html).

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization be liable for damages arising from its use.

The named authors alone are responsible for the views expressed in this publication.

Editors

Andreas Jud, Lisa M. Jones, Christopher Mikton

Chapter I. Introduction

Authors: Andreas Jud, David Finkelhor, Lisa M. Jones, Christopher Mikton

Chapter II. Overview of previous agency surveys and national administrative data sets

Authors: Paula Krüger, Andreas Jud

Chapter 1. Agency selection

Author Section 1.1: Nico Trocmé

Author Section 1.2: Christopher Mikton

Authors Section 1.3: Andreas Jud, Andrea J. Sedlak

Chapter 2. Case selection

Author: Lisa M. Jones

Chapter 3. Definitions, variables and coding

Authors: Lisa M. Jones, Andreas Jud

Chapter 4. Statistical modelling

Author: Andreas Jud

Chapter 5. Collaboration between research and practice

Authors Section 5.1: Andreas Jud, Fadia AlBuhairan, Athanasios Ntinapogias, George Nikolaidis

Authors Section 5.2: Lenneke R. A. Alink, Saskia Euser

Authors Section 5.3: Christopher Mikton

Authors Section 5.4: Patricia Lannen

Acknowledgements

We wish to thank the authors listed above for their contributions to this publication and the many child protection experts around the globe from whose help this document has greatly benefited. In particular, we would like to thank Fadia AlBuhairan, Majid Al-Eissa, Maha Al Muneef, Lenneke R. A. Alink, Lillian Artz, Martin Chabot, Irene Cheah, Saskia Euser, Barbara Fallon, Jörg M. Fegert, Paula Krüger, Rachel Lael-Szabo, Bong Joo Lee, James Mansell, Ben Mathews, George Nikolaidis, Athanasios Ntinapogias, Hubert van Puyenbroeck and Peter Voll for their attendance at the initial expert meeting, and for their contributions to writing and editing the toolkit chapters. Special thanks go out to David Finkelhor and Nico Trocmé, who developed the initial concept for the toolkit, as well as to John Fluke and Andrea J. Sedlak, who were responsible for a significant part of the editing. We would like to thank the UBS Optimus Foundation for its generous support for the development and publication of this toolkit.
