Sales, rights and licensing. To purchase WHO publications, see <http://apps.who.int/bookorders>. To submit requests for commercial use and queries on rights and licensing, see <http://www.who.int/about/licensing>.

Third-party materials. If you wish to reuse material from this work that is attributed to a third party, such as tables, figures or images, it is your responsibility to determine whether permission is needed for that reuse and to obtain permission from the copyright holder. The risk of claims resulting from infringement of any third-party-owned component in the work rests solely with the user.

General disclaimers. The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of WHO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted and dashed lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by WHO in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by WHO to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall WHO be liable for damages arising from its use.

Acknowledgements

Work on this checklist was initiated and coordinated by James Kiari (Department of Reproductive Health and Research, World Health Organisation).

Rajat Khosla (WHO) and Moazzam Ali (WHO) reviewed evidence and led the technical content development of the checklist. The final document was written by Rajat Khosla (WHO), Moazzam Ali (WHO) and Jane Cottingham (Independent Consultant).

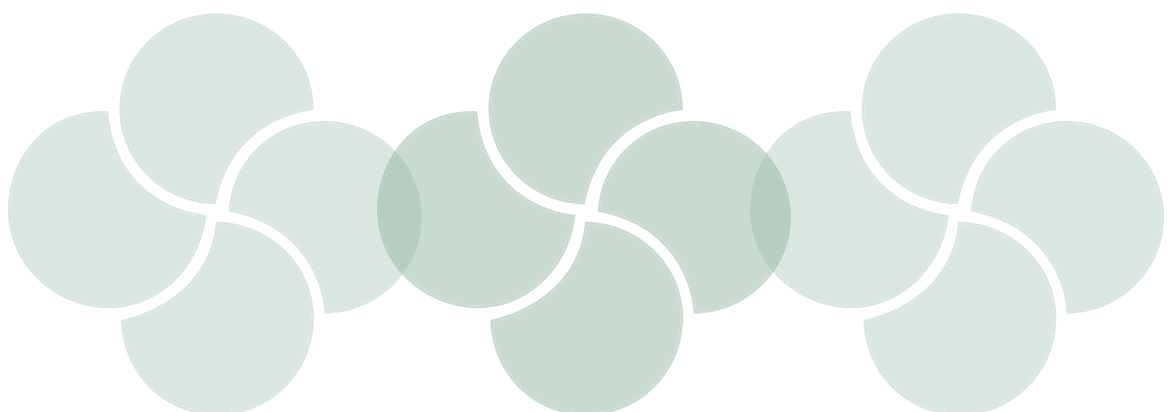

An expert advisory group contributed to the methodology and analysis presented in the checklist. These individuals are: Projestine Muganyizi (Muhimbili University of Health and Allied Sciences, Tanzania); Sharon Fonn (Wits University, South Africa); Adrienne Germain (IWHC, USA); Anrudh Jain (Population Council, USA); Laura Laski (UNFPA); Judith Bruce (Population Council, USA); Ian Askew (WHO); Rita Columbia (UNFPA); Sandra Jordan (USAID); Beth Schlachter (FP2020); Özge Tuncalp (WHO); Lale Say (WHO).

Review and input to the methodology and analysis was provided by other experts as well. We thank them for their contributions: Ruben Brouwer, Odile Fande, Laura Ferguson, Christina Zampas, Chelsea Ricker, Francis Odawa, Lucinda O'Hanlon, Fatim Tall, Leopold Ouedraogo, Olive Sentumbwe-Mugisa, Petrus Steyn, Rita Kabra, Theopista Kabuteni, Taiwo Oyelade, Joyce Lavussa, and Victoria Boydell.

The work for this checklist is supported by the Bill and Melinda Gates Foundation.
