Acronyms and abbreviations	x
Glossary	xii
Introduction	xiii
Chapter 1 Community Empowerment	1
1.1 Introduction	4
1.2 Key elements of community empowerment	5
1.2.1 Working with communities of sex workers	7
1.2.2 Fostering sex worker-led outreach	8
1.2.3 Developing sex worker collectives	9
1.2.4 Adapting to local needs and contexts	10
1.2.5 Promoting a human-rights framework	11
1.2.6 Community systems strengthening (strengthening the collective)	12
1.2.7 Shaping policy and creating enabling environments	14
1.2.8 Sustaining the movement	15
1.3 Monitoring progress	16
1.4 Resources and further reading	18
Chapter 2 Addressing Violence against Sex Workers	19
2.1 Introduction	22
2.1.1 Contexts of violence	24
2.1.2 Values and principles for addressing violence against sex workers	25
Core values	25
Programming principles	25
2.2 Promising interventions and strategies	26
2.2.1 Community empowerment	26
2.2.2 Building the capacity of sex workers	26
2.2.3 Advocating for reforms	27
2.2.4 Fostering police accountability	29
2.2.5 Promoting the safety and security of sex workers	30
2.2.6 Providing health services to sex workers who experience violence	32
2.2.7 Providing psychosocial, legal and other support services	33
2.3 Management, monitoring and evaluation	36
2.4 Resources and further reading	38
Chapter 3 Community-led Services	41
3.1 Introduction	44
3.2 Community-led outreach	45
3.2.1 What community outreach workers do	46

3.2.2	Steps in implementing community-led outreach	47
A.	Map the community and design the outreach strategy with them	47
B.	Recruit and train community outreach workers	50
C.	Implement and manage outreach	54
D.	Foster leadership opportunities for community outreach workers	61
3.3	Safe spaces (drop-in centres)	62
3.3.1	Establishing safe spaces	63
	Setting up the space	63
	Operating the space	64
3.3.2	Other activities in the safe space	65
3.4	Community-led quality improvement	66
3.4.1	Community committees	66
3.4.2	Other community-led approaches to reinforce quality of clinical services	68
3.4.3	Community quality assurance in monitoring and evaluation	68
	Monitoring quality of community service implementation	68
	Monitoring community access to services and community agency	71
3.5	Resources and further reading	72
Chapter 4	Condom and Lubricant Programming	75
4.1	Introduction	78
4.2	Steps in effective condom programming	79
4.2.1	Establishing accessible male and female condom and lubricant supplies for sex workers	82
4.2.2	Multi-level promotion of male and female condoms and lubricants	84
	Community-led condom promotion	85
	Destigmatizing condoms in the broader social environment	87
4.2.3	Creating an enabling environment for condom programming	88
4.2.4	Specific considerations in condom programming	90
A.	Condom programming with male and transgender sex workers	90
B.	Condom negotiation strategies	90
C.	Condom programming with clients of sex workers	90
D.	Condom social marketing programmes with sex workers	91
4.3	Condom programme management	92
4.3.1	Roles and responsibilities in condom programming	92
4.3.2	Programme monitoring	92
4.3.3	Evaluation	92
4.4	Resources and further reading	95
Chapter 5	Clinical and Support Services	97
5.1	Operational principles for clinical and support services	100
5.1.1	Service delivery and integration	100
5.2	Voluntary HIV testing and counselling	102
5.2.1	Introduction	102
5.2.2	Types of HIV testing and counselling and delivery	102
5.2.3	Essential activities for voluntary HTC services for sex workers	103
A.	Preparation	103
B.	HTC service delivery	104
C.	Follow-up	105

5.2.4	Quality assurance of services	106
5.2.5	Voluntary HTC performed by community outreach workers and lay counsellors	106
5.3	Antiretroviral therapy	107
5.3.1	Introduction	107
5.3.2	Essential definitions and prerequisites of ART services	108
5.3.3	Specific considerations for sex workers on ART	108
	Sex worker-specific ART services	109
	Community support for ART	110
	Treatment literacy	111
	Pre-exposure prophylaxis	111
5.4	Tuberculosis and sex workers	111
5.5	Additional services for sex workers who inject drugs	113
5.5.1	Introduction	113
5.5.2	Opioid substitution therapy	113
5.5.3	Needle and syringe programmes	114
5.5.4	Other considerations	114
5.6	STI services	115
5.6.1	Introduction	115
5.6.2	STI services for sex workers	115
	A. Designing STI services	116
	B. Implementing and managing STI services	118
	C. Periodic presumptive treatment	123
	D. Viral hepatitis	124
5.7	Addressing the sexual and reproductive health needs of sex workers	125
5.7.1	Introduction	125
5.7.2	Family planning and contraceptive counselling	126
	Emergency contraception	126
	Safe pregnancy	126
	Abortion and post-abortion care	126
5.7.3	Cervical cancer screening	127
5.7.4	Screening for other cancers	127
5.7.5	Clinical care for survivors of sexual assault	127
5.8	Mental health	128
5.9	Resources and further reading	128
Chapter 6	Programme Management and Organizational Capacity-building	133
Part I:	Programme Management	136
6.1	Introduction	136
6.2	Planning and implementing an HIV/STI programme with sex workers	138
6.2.1	Define programme and standards	138
6.2.2	Establish a data monitoring system for management	141
6.2.3	Plan the programme evaluation	149
6.2.4	Define the management structure	150
6.2.5	Prioritize	152
6.2.6	Implement in a staged manner	153
6.2.7	Establish a supervision system	158
6.2.8	Progressively ensure full sex worker participation	161
