Publications of the World Health Organization can be obtained from WHO Press, World Health Organization, 20 Avenue Appia, 1211 Geneva 27, Switzerland (tel.: +41 22 791 3264; fax: +41 22 791 4857; e-mail: [bookorders@who.int](mailto:bookorders@who.int)). Requests for permission to reproduce or translate WHO publications – whether for sale or for noncommercial distribution – should be addressed to WHO Press, at the above address (fax: +41 22 791 4806; e-mail: [permissions@who.int](mailto:permissions@who.int)).

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization be liable for damages arising from its use.

Printed in

This Handbook was developed by the World Health Organization, Department of Making Pregnancy Safer (MPS), which now forms part of the Department of Maternal, Newborn, Child and Adolescent Health (WHO/MCA). The first drafts were developed and written by Yolande Coombes. Mona Moore developed Session 14 and Rachel Jewkes developed Session 16. Overall technical direction and supervision of the document was done by Annie Portela of WHO/MCA.

## Valuable inputs were provided by an expert advisory group:

Nasr Abdalla - University of Khartoum, Sudan  
Hannah Ashwood-Smith - Independent Consultant, Canada  
Surabhi Aggarwal - Independent Consultant, India  
Isabelle Cazottes - Independent Consultant, France  
Kathryn Church - formerly World Health Organization, Switzerland  
Frances Ganges - Saving Newborn Lives Initiative, Washington, DC  
Tarja Kettunen - University of Jyväskylä, Finland  
Laurensia Lawintono - Ministry of Health - Indonesia  
Sebalda Leshabari - Muhimbili University College of Health Sciences, Tanzania  
Mona Moore - Independent Consultant, USA  
Nester Moyo - International College of Midwives, Denmark  
Elaine Murphy - George Washington University, USA  
Julia Samuelson - World Health Organization, Switzerland  
Della Sherratt - formerly World Health Organization, Switzerland  
Ruben Siapno - Center for Health Development, Philippines  
Ann Starrs - Family Care International, USA  
Constanza Vallenias - World Health Organization, Switzerland  
Jelka Zupan - World Health Organization, Switzerland
