Publications of the World Health Organization are available on the WHO web site (www.who.int) or can be purchased from WHO Press, World Health Organization, 20 Avenue Appia, 1211 Geneva 27, Switzerland (tel.: +41 22 791 3264; fax: +41 22 791 4857; e-mail: bookorders@who.int). Requests for permission to reproduce or translate WHO publications – whether for sale or for noncommercial distribution – should be addressed to WHO Press through the WHO web site (http://www.who.int/about/licensing/copyright_form/en/index.html).

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the Review Committee on the Functioning of the International Health Regulations (2005) in relation to Pandemic (H1N1) 2009 ("IHR Review Committee") or the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the IHR Review Committee or World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the IHR Review Committee to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader.

This publication contains the collective views of the IHR Review Committee and does not necessarily represent the decisions or the policies of the World Health Organization.

Contents

Preface	vii
Acknowledgements	ix
Executive summary	xiii
Introduction	xiii
Method of work	xiv
Background and context	xv
Conclusions and recommendations	xvi
Summary conclusion 1	xvii
Summary conclusion 2	xix
Summary conclusion 3	xxiv
Review Committee Members	xxix
 Chapter I	 1
Preparation for a global public-health emergency	3
Abstract	3
A. The ethos of public health	3
B. The continued threat of infectious diseases	4
C. The International Health Regulations (2005): defending against the international spread of disease in the 21st century	6
Development of the International Health Regulations (2005): consultation and negotiation	7
The principal functions of the International Health Regulations	8
D. Overview of seasonal and pandemic influenza	12
E. Planning for an influenza pandemic	13
Development and refinement of global pandemic preparedness plans, 1999–2009	13
Rapid containment: stopping an emerging pandemic	18
The Global Influenza Surveillance Network	19
Building public-health capacities	21
 Chapter II	 25
Pandemic influenza A (H1N1) 2009	27
Abstract	27
A. Overview of influenza A (H1N1) 2009	27
B. Emergence and detection of the virus	29
C. Declaration of the Public Health Emergency of International Concern	32
D. Mobilizing antiviral drugs and vaccines	33
E. Declaration of the pandemic	36
F. The post-pandemic phase	40

Chapter III	45
Management of the global response	47
Abstract	47
A. International Health Regulations (2005): implementation and evaluation	47
Sources of evidence	47
Knowledge, training and resources to support implementation	48
Function 1: Surveillance and response capacities in States Parties	48
Function 2: Detection and alert operations in States Parties	50
Function 3: WHO detection and alert operations	52
Function 4: International public-health response	55
Function 5: Procedures for Public Health Emergencies of International Concern	57
Function 6: Avoidance of unnecessary interference with international traffic and trade	61
Function 7: Implementation of the IHR with respect for human rights	63
Function 8: Points of entry and travel documents	64
B. Pandemic preparedness, response and evaluation: country level	65
Findings: evaluation of the pandemic response	66
Findings: Health system responses: hospitals and critical-care units	68
Findings: use and appropriateness of WHO pandemic preparedness guidance	68
C. WHO: preparedness/planning and response	69
WHO Regional and Country Offices	70
Overall coordination and collaboration	71
D. Surveillance, monitoring and reporting	73
WHO guidance for global disease surveillance during an influenza pandemic	73
E. Assessment of pandemic severity	79
Assessing severity: pre-pandemic considerations	79
WHO's approach to assessing severity during the pandemic	80
F. Public-health measures	86
Development of WHO guidance on public-health measures before the pandemic	86
Guidance and public-health measures during the pandemic	87
Country experiences with public-health measures	88
G. Pharmaceutical interventions	89
Antiviral drugs	89
Vaccines	92
H. WHO guidance documents	97
I. Communications	98
Daily operations	99
Risk communications	99
Beginning of the pandemic	99
External criticisms	101
Findings: external criticisms	102
Findings: strengths	102
Findings: improvements needed	103

Chapter IV	109
Conclusions and recommendations	111
Summary conclusion 1	111
Recommendation 1	112
Recommendation 2	113
Recommendation 3	113
Recommendation 4	113
Summary conclusion 2	113
Recommendation 5	116
Recommendation 6	117
Recommendation 7	117
Recommendation 8	118
Recommendation 9	118
Recommendation 10	118
Recommendation 11	119
Summary conclusion 3	119
Recommendation 12	119
Recommendation 13	120
Recommendation 14	120
Recommendation 15	122
Appendix I	
Terms of reference for the IHR Review Committee and method of work	127
Appendix II	
Affiliations and biographies of Review Committee members	131
Declaration of interests	145
Appendix III	
Summary of the International Health Regulations (2005)	147
Appendix IV	
H1N1 functional teams and terms of reference	153
Appendix V	
Pandemic Management Core Functions	159
Appendix VI	
Internal WHO documents consulted by Review Committee	161
Appendix VII	
WHO's assessment of pandemic severity: key events during 2009	163
Appendix VIII	
Glossary of terms and abbreviations	165
