Copies of this publication may be obtained from the Publication and Language Service Unit, WHO Regional Office for Africa, P. O. Box 6, Brazzaville, Republic of Congo (Tel.: +47 241 39100; Fax: +47 241 39507; E-mail: afrobooks@fro.who.int.). Requests for permission to reproduce or translate this publication - whether for sale or for non-commercial distribution - should be sent to the same address.

The designations employed and the presentation of the materiel in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which they may not yet be full agreement.

The mention of specific companies or of certain manufacturer's products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the readers. In no event shall the World Health Organization or its Regional Office for Africa be liable for damages arising from its use.
