

Summaries of projects in developing countries assisting the parents of adolescents

Summaries of projects in developing countries assisting the parents of adolescents

WHO would like to acknowledge the persistence and diligent attention to detail of Jenny Bernstein and the supervision of Kristin Mmari of Johns Hopkins Bloomberg School of Public Health, Baltimore USA. The time and effort of staff from the projects summarized must also be recognized as crucial to the preparation of this document and to the ongoing endeavour to assist parents.

WHO Library Cataloguing-in-Publication Data

Summaries of projects in developing countries assisting the parents of adolescents.

Publications of the World Health Organization can be obtained from WHO Press, World Health Organization, 20 Avenue Appia, 1211 Geneva 27, Switzerland (tel.: +41 22 791 3264; fax: +41 22 791 4857; e-mail: bookorders@who.int). Requests for permission to reproduce or translate WHO publications – whether for sale or for noncommercial distribution – should be addressed to WHO Press, at the above address (fax: +41 22 791 4806; e-mail: permissions@who.int).

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries. Dotted lines on maps represent approximate border lines for which there may not yet be full agreement.

The mention of specific companies or of certain manufacturers' products does not imply that they are endorsed or recommended by the World Health Organization in preference to others of a similar nature that are not mentioned. Errors and omissions excepted, the names of proprietary products are distinguished by initial capital letters.

All reasonable precautions have been taken by the World Health Organization to verify the information contained in this publication. However, the published material is being distributed without warranty of any kind, either expressed or implied. The responsibility for the interpretation and use of the material lies with the reader. In no event shall the World Health Organization be liable for damages arising from its use.
