The Department of Control of Neglected Tropical Diseases (NTD) wishes to thank Professor C.F. Curtis, London School of Hygiene and Tropical Medicine, UK, for drafting this document. NTD also wishes to thank the following for critical review of this publication and for their valuable comments and suggestions:

- K.M. Allam, Research Institute of Medical Entomology, Cairo, Egypt
- A. Akin, Crompton Europe, Izmir, Turkey
- S. Barlow, Brighton, East Sussex, United Kingdom
- M. Birchmore, Syngenta, Basel, Switzerland
- N. Besbelli, World Health Organization, Geneva, Switzerland
- C. Boase, Haverhill, Suffolk, United Kingdom
- R. Bos, World Health Organization, Geneva, Switzerland
- A. Buckle, Fernhurst, Haslemere, Surrey, United Kingdom
- I. Burgess, Insect Research and Development, Cambridge, United Kingdom
- M.M. Cameron, London School of Hygiene and Tropical Medicine, London, United Kingdom
- A. Chiri, Office of Pesticide Programs, US Environmental Protection Agency, Washington DC, United States of America
- D.G. Cochran, Hamstead, North Carolina, United States of America
- C.R. Davies, London School of Hygiene and Tropical Medicine, London, United Kingdom
- P. Desjeux, Institute for OneWorld Health, Divonne, France
- M. Faust, Bayer CropScience, Monheim, Germany
- P. Guillet, WHO Regional Office for Africa, Harare, Zimbabwe
- G. Hesse, Bayer Environmental Science, Lyon, France
- A. Hill, Huntington, York, United Kingdom
- N.Hill, London School of Hygiene and Tropical Medicine, London, United Kingdom
- K. Horn, Bayer Environmental Science, Monheim, Germany
- T. Itoh, Sumitomo Chemical, Osaka, Japan
- Z. Jaal, Vector Control Research Unit, University of Sains Malaysia, Penang, Malaysia
