## *Acknowledgements*

This manual is part of a set of materials for the management of collaborative TB/HIV activities: training for managers at the national and subnational levels prepared by the Stop TB Department of the World Health Organization. It is designed to assist countries in developing and organizing country-specific TB/HIV courses for national and subnational TB and HIV/AIDS managers. This project was coordinated by Rafael Alberto López of the Stop TB Department of the World Health Organization. The training package was designed by Giovanni Battista Migliori of the WHO Collaborating Centre for Tuberculosis and Lung Diseases, Fondazione S. Maugeri, Care and Research Institute, Tradate, Italy and Karin Bergstrom and Pierre-Yves Norval of the Stop TB Department of the World Health Organization. All contributed to developing the content along with Alberto Matteelli of the University of Brescia, Italy.

The following people also provided technical input:

Akiiki Bitalabebo, Department of HIV/AIDS, WHO  
Caterina Casalini, Ministry of Health, Ethiopia  
Rhehab Chimzizi, Ministry of Health, Malawi  
Nickolas De Luca, United States Centers for Disease Control and Prevention, USA  
Anthony Harries, Ministry of Health, Malawi  
Haileyesus Getahun, Stop TB Department, WHO  
Massimo Ghidinelli, WHO Country Office for Cambodia  
Daniel Kibuga, WHO Regional Office for Africa  
Fabio Luelmo, consultant, the Netherlands
