No. 5382. AGRICULTURAL COMMODITIES AGREEMENT¹
BETWEEN THE UNITED STATES OF AMERICA AND
THE FEDERAL PEOPLE'S REPUBLIC OF YUGOSLAVIA
UNDER TITLE I OF THE AGRICULTURAL TRADE
DEVELOPMENT AND ASSISTANCE ACT, AS AMENDED.
SIGNED AT BELGRADE, ON 3 JUNE 1960

The Government of the United States of America and the Government of the Federal People's Republic of Yugoslavia :

Recognizing the desirability of expanding trade in agricultural commodities between their two countries and with other friendly nations in a manner which would not displace usual marketings of the United States in these commodities or unduly disrupt world prices of agricultural commodities or normal patterns of commercial trade with friendly countries;

Considering that the purchase for dinars of surplus agricultural commodities produced in the United States will assist in achieving such an expansion of trade;

Considering that the dinars accruing from such purchases will be utilized in a manner beneficial to both countries;

Desiring to set forth the understandings which will govern the sales, as specified below, of agricultural commodities to Yugoslavia pursuant to Title I of the Agricultural Trade Development and Assistance Act, as amended (hereinafter referred to as the Act), and the measures which the two Governments will take individually and collectively in furthering the expansion of trade in such commodities;

Have agreed as follows :

USES OF DINARS

1. The two Governments agree that the dinars accruing to the Government of the United States of America as a consequence of the sales made pursuant to this Agreement will be used by the Government of the United States of America, in such manner and order of priority as the Government of the United States of America shall determine, for the following purposes in the amounts shown :

(a) For expenditures by the Government of the United States of America under subsections (a), (b), (f), (h), (i), (j), (k), (l), (m), (n) and (o) of Section 104 of the Act, the dinar equivalent of \$2.26 million. The United States Government in considering possible expenditures of these funds will give due regard to the balance of payments situation of Yugoslavia.

(b) For grants to the Government of the Federal People's Republic of Yugoslavia for financing such projects to promote balanced economic development of Yugoslavia under Section 104 (e) of the Act as may be mutually agreed, the dinar equivalent of \$8.27 million.

(c) For a loan to the Government of the Federal People's Republic of Yugoslavia for financing such projects to promote the economic development of Yugoslavia under Section 104 (g) of the Act as may be mutually agreed, the dinar equivalent of \$8.27 million, the terms and conditions of which will be included in a supplemental agreement between the two Governments. It is further understood that loan funds shall be disbursed only after prior agreement as to the uses of such loan funds.

2. In the event the dinars set aside for grants or loans to the Government of the Federal People's Republic of Yugoslavia are not advanced within three years from the date of this Agreement as a result of failure of the two Governments to reach agreement on the use of such dinars, the Government of the United States of America may use the dinars for any purpose authorized by Section 104 of the Act.

3. To the extent that the total of dinars accruing to the Government of the United States of America as a consequence of sales made pursuant to this Agreement is less than the equivalent of \$18.8 million, the amount available for loans to the Government of the Federal People's Republic of Yugoslavia under Section 104 (g) of the Act will be reduced by an equivalent amount; to the extent that the total exceeds the dinar equivalent of \$18.8 million, 44 percent of the excess will be available for grants to the Federal People's Republic of Yugoslavia under Section 104 (e), 44 percent for loans to the Federal People's Republic of Yugoslavia under Section 104 (g), and 12 percent for any use or uses authorized by Section 104 of the Act and included in paragraph 1 (a) above as the Government of the United States of America may determine.

Article III

DEPOSIT OF DINARS

The deposit of dinars to the account of the Government of the United States of America in payment for the commodities and for ocean transportation costs financed by the Government of the United States of America (except excess costs resulting from the requirement that United States flag vessels be used) shall be made at a rate of exchange for United States dollars to be agreed between the two Governments.

Article IV

GENERAL UNDERTAKINGS

1. The Government of the Federal People's Republic of Yugoslavia agrees that it will take all possible measures to prevent the resale or transshipment to other countries, or use for other than domestic purposes (except where such resale, transshipment or use is specifically approved by the Government of the United States), of agricultural commodities purchased pursuant to the provisions of this Agreement.

2. The two Governments agree that they will take reasonable precautions to assure that all sales or purchases of agricultural commodities pursuant to this Agreement will not unduly disrupt world prices of agricultural commodities or normal patterns of commercial trade with friendly countries or displace usual marketings of the United States of America in these commodities.

3.
