*The Minister of Commerce and Industry for the Federation of Rhodesia and Nyasaland to the Canadian Government Trade Commissioner in the Federation of Rhodesia and Nyasaland*

MINISTER OF COMMERCE AND INDUSTRY  
SALISBURY, SOUTHERN RHODESIA

6th February, 1958

Reference FCI/12/12/1/18

Sir,

1. I have the honour to propose that in consideration of the Government of Canada continuing to extend the benefits of the British Preferential tariff to goods grown, produced or manufactured in the Federation of Rhodesia and Nyasaland (hereinafter called the Federation) when imported into Canada, and only so long as such tariff treatment is continued, the Government of the Federation will extend the tariff treatment set forth in paragraphs 2 and 3 below to Canadian goods when imported into the Federation.

2. The Customs and Excise Act, 1955, of the Federation, as amended, provides that in respect of goods from the fully self-governing countries of the British Commonwealth, excluding the United Kingdom, rebates are allowed to an extent sufficient to reduce the duties on such goods to the rates set out in Column C of the Customs Tariff of the Federation. The effect of this provision is to apply to goods of Canadian origin the Column C rates of duty.
