No. 5907. EXCHANGE OF NOTES CONSTITUTING AN AGREEMENT¹ BETWEEN THE UNITED STATES OF AMERICA AND LIBERIA RELATING TO MILITARY EQUIPMENT, MATERIALS, AND SERVICES. MONROVIA, 23 MAY AND 17 JUNE 1961

I

The American Ambassador to the Liberian Secretary of State

Monrovia, May 23, 1961

No. 9

Excellency :

I have the honor to refer to recent conversations between representatives of our two Governments, as a result of which the Government of the United States has agreed to make available to the Government of Liberia such military assistance as the Government of Liberia may request and the Government of the United States may authorize in accordance with such terms and conditions as may be agreed upon.

It is the understanding of the Government of the United States that the Government of Liberia is prepared to accept the following undertakings :

1. The Government of Liberia agrees to use any equipment, materials, and services furnished under this agreement to foster international peace and security within the framework of the Charter of the United Nations, through measures which will further the ability of nations dedicated to the principles and purposes of the Charter to participate effectively in arrangements for individual and collective self-defense in support of these purposes and principles. The Government of Liberia further agrees to furnish, as may be mutually agreed hereafter, equipment and materials, services, or other assistance, consistent with the Charter of the United Nations, to the United States or to and among other nations, whose increased ability to defend themselves against aggression is considered by the Governments of the United States and Liberia to be in their mutual interest.

2. The Government of Liberia assures the Government of the United States that such equipment, materials, or services as may be acquired from the United States under this agreement are required for and will be used solely to maintain its internal security, its legitimate self-defense, or to permit it to participate in United Nations collective security arrangements and measures, and that it will not undertake any act of aggression against any other state.

¹ Came into force on 17 June 1961 by the exchange of the said notes.
