I

*The American Ambassador to the Salvadoran Minister of Foreign Affairs*

San Salvador, August 11, 1961

No. 82

Excellency :

I have the honor to refer to recent conversations between representatives of our two governments concerning appropriate arrangements with respect to the men and women of The United States of America who volunteer to serve in the Peace Corps and who, at the request of your government, would live and work for periods of time in El Salvador. In these conversations, your government has indicated that it would welcome Peace Corps volunteers and volunteer leaders.

I have the honor to propose the following understandings with respect to the Peace Corps :

1. The Government of El Salvador will accord equitable treatment to Peace Corps volunteers and volunteer leaders, both as to their persons and their property ; afford them, particularly in case of need, full aid and protection ; and fully inform and consult and cooperate with representatives of the Government of The United States of America with respect to all matters concerning them.
2. The Government of El Salvador will receive a Peace Corps representative and such staff and other personnel as they are acceptable to the Government of El Salvador, who will discharge functions with respect to Peace Corps programs.
3. The Government of El Salvador will exempt funds, equipment, materials, and supplies furnished or financed by the Government of The United States and used in connection with Peace Corps programs from taxes, investment or deposit requirements, currency controls, and from customs duties, charges or other fees.
4. The Government of El Salvador will exempt Peace Corps volunteers, volunteer leaders, the Peace Corps representative and staff, and other personnel accepted hereunder from immigration fees, and from income tax on all income derived from their Peace Corps work and from sources outside El Salvador, from Social Security taxes and from all other taxes, charges, and fees except (A) sales taxes or other charges or fees included
