SIGNED AT REYKJAVIK, ON 16 MARCH 1962

The Government of the United States of America and the Government of Iceland :

Recognizing the desirability of expanding trade in agricultural commodities between their two countries and with other friendly nations in a manner which would not displace usual marketings of the United States of America in these commodities or unduly disrupt world prices of agricultural commodities or normal patterns of commercial trade with friendly countries ;

Considering that the purchase for kronur of agricultural commodities produced in the United States of America will assist in achieving such an expansion of trade :

Considering that the kronur accruing from such purchase will be utilized in a manner beneficial to both countries :

Desiring to set forth the understandings which will govern the sales, as specified below, of agricultural commodities to Iceland pursuant to Title I of the Agricultural Trade Development and Assistance Act, as amended (hereinafter referred to as the Act), and the measures which the two Governments will take individually and collectively in furthering the expansion of trade in such commodities ;
