*Article I*

## SCOPE OF THIS AGREEMENT

1. This Agreement embodies the conditions under which the United Nations shall provide the Government with the services of administrative officers or specialists (hereinafter referred to as "officers"). A copy of the contract which the United Nations intends to use for this purpose is herewith transmitted for the Government's information as annex I<sup>2</sup> of this Agreement. the Government, or, if so agreed by the United Nations and the Government, in other public agencies or public corporations or public bodies, or in national agencies or bodies other than those of a public character.

2. In the performance of the duties assigned to them by the Government, the officers shall be solely responsible to, and under the exclusive direction of, the Government; they shall not report to nor take instructions from the United Nations or any other person or body external to the Government except with the approval of the Government. In each case the Government shall designate the authority to which the officer will be immediately responsible.

3. The Parties hereto recognize that a special international status attaches to the officers made available to the Government under this Agreement, and that the assistance provided the Government hereunder is in furtherance of the purposes of the United Nations. Accordingly, the officers shall not be required to perform any function incompatible with such special international status or with the purposes of the United Nations.

4. In implementation of the preceding paragraph, but without restricting its generality or the generality of the last sentence of paragraph 1 of article I, any agreements entered into by the Government with the officers shall embody a specific provision to the effect that the officer shall not perform any functions incompatible with his special international status or with the purposes of the United Nations.

2. The United Nations undertakes to provide such officers in accordance with any applicable resolutions and decisions of its competent organs, and subject to the availability of the necessary funds.

3. The United Nations undertakes, within the financial resources available to it, to provide administrative facilities necessary to the successful implementation of this Agreement, specifically including the payment of stipends and allowances to supplement, as appropriate, the salaries paid the officers by the Government under article IV, paragraph 1, of this Agreement, and upon request, effecting payments in currencies unavailable to the Government, and making arrangements for travel and transportation outside the Ivory Coast when the officer, his family or belongings are moved under the terms of his contract.
