No. 160

Excellency :

I have the honor to refer to conversations between representatives of our two Governments looking toward the conclusion of an Agreement involving the purchase by the Government of the Kingdom of Morocco of certain agricultural products and the utilization of the proceeds from such purchases. Our representatives have reached an understanding on the language for such an agreement.

AGRICULTURAL COMMODITIES AGREEMENT BETWEEN THE GOVERNMENT OF THE UNITED STATES OF AMERICA AND THE GOVERNMENT OF THE KINGDOM OF MOROCCO UNDER TITLE I OF THE AGRICULTURAL TRADE DEVELOPMENT AND ASSISTANCE ACT, AS AMENDED

The Government of the United States of America and the Government of the Kingdom of Morocco :

Recognizing the desirability of expanding trade in agricultural commodities between their two countries and with other friendly nations in a manner which would not displace usual marketings of the United States of America in these commodities or unduly disrupt world prices of agricultural commodities or normal patterns of commercial trade with friendly countries ;

Considering that the purchase for Moroccan dirhams of agricultural commodities produced in the United States of America will assist in achieving such an expansion of trade ;

¹ Came into force on 11 September 1962 by the exchange of the said notes.

¹ Entré en vigueur le 11 septembre 1962 par l'échange desdites notes.

Considering that the dirhams accruing from such purchase will be utilized in a manner beneficial to both countries ;

Desiring to set forth the understandings which will govern the sales, as specified below, of agricultural commodities to Morocco pursuant to Title I of the Agricultural Trade Development and Assistance Act, as amended (hereinafter referred to as the Act), and the measures which the two Governments will take individually and collectively in furthering the expansion of trade in such commodities ;

Have agreed as follows :

3. Purchase and shipment of the commodities mentioned above will be made within 18 calendar months of the effective date of this Agreement.

4. The financing, sale and delivery of commodities under this Agreement may be terminated by either Government if that Government considers that because of changed conditions the continuation of such financing, sale or delivery is unnecessary or undesirable.

USES OF MOROCCAN DIRHAMS

The dirhams accruing to the Government of the United States of America as a consequence of sales made pursuant to this Agreement will be used by the Government of the United States of America, in such manner and order of priority as the Government

The terms and conditions of the loan and other provisions will be set forth in a separate loan agreement. GENERAL UNDERTAKINGS

1. The Government of the Kingdom of Morocco will take all possible measures to prevent the resale or transshipment to other countries or the use for other than domestic purposes (except where such resale, transshipment or use is specifically approved by the Government of the United States of America) of the agricultural commodities purchased pursuant to the provisions of this Agreement, and to assure that the purchase
