No. 6855. EXCHANGE OF NOTES CONSTITUTING AN AGREEMENT¹ BETWEEN THE UNITED STATES OF AMERICA AND PERU RELATING TO THE PEACE CORPS PROGRAM. LIMA, 25 JANUARY 1962

I

The American Ambassador to the Acting Peruvian Minister of Foreign Affairs

Lima, January 25, 1962

No. 225

Excellency :

I have the honor to refer to recent conversations between representatives of our two Governments and to propose the following understandings with respect to the men and women of the United States of America who volunteer to serve in the Peace Corps and who, at the request of your Government, would live and work for periods of time in Peru.

1. The Government of the United States will furnish such Peace Corps volunteers as may be requested by the Government of Peru and approved by the Government of the United States to perform mutually agreed tasks in Peru. The volunteers will work under the immediate supervision of governmental or private organizations in Peru designated by our two governments. The Government of the United States will provide training to enable the volunteers to perform more effectively these agreed tasks. While welcoming any contribution of training, equipment and supplies, housing or other support for the volunteers which the Government of Peru may wish to make, the Government of the United States is prepared to defray all of the costs of furnishing volunteers under this agreement.

2. The Government of Peru will accord equitable treatment to the volunteers and their property ; afford them full aid and protection, including treatment no less favorable than that accorded generally to nationals of the United States residing in Peru ; and fully inform, consult and cooperate with representatives of the Government of the United States with respect to all matters concerning them. The Government of Peru will exempt the volunteers from all taxes on payments which they receive to defray their living costs and on income from sources outside Peru, from all customs duties or other charges on their personal property introduced into Peru for their own use at or about the time of their arrival, and from all other taxes or other charges (including immigration fees) except license fees and those included in the prices of equipment, supplies and services.

¹ Came into force on 25 January 1962 by the exchange of the said notes.
