** [Translation by the Government of the United Kingdom — Traduction du Gouvernement du Royaume-Uni] In depositing their instrument of ratification the Government of Belgium declared that they could only accept the measures mentioned in Article 7, paragraph 1 (c) to (f) inclusive on the condition that a system of international control is introduced at the same time; the acceptance of a recommendation provided for in Article 13, paragraph 3, should therefore precede the acceptance of a recommendation provided for in Article 7, paragraph 1 (c) to (f) inclusive.

 - (iii) the waters within the Convention area where the Contracting State has exclusive jurisdiction over fisheries.

Article 2

Nothing in this Convention shall be deemed to affect the rights, claims, or views of any Contracting State in regard to the extent of jurisdiction over fisheries.

Article 3

(1) A North-East Atlantic Fisheries Commission (hereinafter referred to as the Commission) is hereby established and shall be maintained for the purposes of this Convention.

(2) Each Contracting State may appoint as its Delegation to the Commission not more than two Commissioners and such experts and advisers to assist them as that State may determine.

(3) The Commission shall elect its own President and not more than two Vice-Presidents who need not be chosen from the Commissioners or their experts or advisers. If a member of a Delegation has been elected President he shall forthwith cease to act as a member of that Delegation, and if a Commissioner has been elected the State concerned shall have the right to appoint another person to serve in his place.

(4) The Office of the Commission shall be in London.

(5) Except where the Commission determines otherwise, it shall meet once a year in London at such time as it shall decide: provided, however, that upon the request of a Commissioner of a Contracting State and subject to the concurrence of a Commissioner of each of three other Contracting States, the President shall, as soon as practicable, summon a meeting at such time and place as he may determine.

(6) The Commission shall appoint its own Secretary and may from time to time appoint such other staff as it may require.

(7) The Commission may set up such Committees as it considers desirable to perform such functions as it may determine.

(8) Each Delegation shall have one vote in the Commission which may be cast only by a Commissioner of the State concerned. Decisions shall be taken by a simple majority except where otherwise specifically provided. If there is an even division of votes on any matter which is subject to a simple majority decision, the proposal shall be regarded as rejected.

(9) Subject to the provisions of this Article, the Commission shall draw up its own Rules of Procedure, including provisions for the election of the President and Vice-Presidents and their terms of office.

(10) The Government of the United Kingdom shall call the first meeting of the Commission as soon as practicable after the coming into force of this Convention, and shall communicate the provisional agenda to each of the other Contracting States not less than two months before the date of the meeting.

(11) Reports of the proceedings of the Commission shall be transmitted and proposals and recommendations shall be notified as soon as possible to all Contracting States in English and in French.

Article 4

(1) Each Contracting State shall pay the expenses of the Commissioners, experts and advisers appointed by it.

(2) The Commission shall prepare an annual budget of the proposed expenditures of the Commission.

(3) In any year in which the annual budget amounts to £200 or less for each Contracting State, the total sum shall be shared equally between Contracting States.

(4) In any year in which the annual budget exceeds £200 for each Contracting State, the Commission shall calculate the payments due from each Contracting State according to the following formula :

- (a) from the budget there shall be deducted a sum of £200 for each Contracting State;
- (b) the remainder shall be divided into such number of equal shares as correspond to the total number of Regional Committee memberships;
- (c) the payment due from any Contracting State shall be the equivalent of £200 plus the number of shares equal to the number of Regional Committees in which that State participates.

(5) The Commission shall notify to each Contracting State the sum due from that State as calculated under paragraph (3) or (4) of this Article and as soon as possible thereafter each Contracting State shall pay to the Commission the sum so notified.

(6) Contributions shall be payable in the currency of the country in which the Office of the Commission is located, except that the Commission may accept payment in the currencies in which it may be expected that expenditures of the Commission will be made from time to time, up to an amount established each year by the Commission when preparing the annual budget.

(7) At its first meeting the Commission shall approve a budget for the balance of the first financial year in which the Commission functions and shall transmit to the Contracting States copies of that budget together with notices of their respective contributions as assessed under paragraph (3) or (4) of this Article.

(8) In subsequent financial years, the Commission shall submit to each Contracting State drafts of annual budgets, together with a schedule of allocations, not less than six weeks before the annual meeting of the Commission at which the budgets are to be considered.

Article 5

(1) The Commission shall establish a Regional Committee, with the powers and duties described in Article 6 of this Convention, for each of the regions into which the Convention area is divided.

(2) The representation on any Regional Committee so established shall be determined by the Commission, provided, however, that any Contracting State with a coastline adjacent to that region, or exploiting the fisheries of the region, has automatically the right of representation on the Regional Committee.
