Texte officiel anglais.

Enregistré par l'Agence internationale de l'énergie atomique le 10 mars 1964.

No. 7163. AGREEMENT¹ BETWEEN THE INTERNATIONAL ATOMIC ENERGY AGENCY AND THE GOVERNMENT OF THE FEDERAL PEOPLE'S REPUBLIC OF YUGOSLAVIA FOR ASSISTANCE BY THE AGENCY TO YUGOSLAVIA IN ESTABLISHING A RESEARCH PROJECT. SIGNED AT BELGRADE, ON 4 JUNE 1963, AND AT VIENNA, ON 26 JULY 1963

WHEREAS the Government of the Federal People's Republic of Yugoslavia (hereinafter "Yugoslavia"), desiring to set up a project for research on atomic energy for peaceful purposes, has requested the assistance of the International Atomic Energy Agency (hereinafter the "Agency") in securing a small quantity of plutonium required for such research ;

WHEREAS the Board of Governors of the Agency approved the project on 19 February 1963 ;

WHEREAS the Government of France (hereinafter "France") has offered to donate to the Agency the required material, for the benefit of Yugoslavia ;

WHEREAS Yugoslavia has indicated to the Agency that the offer of France is acceptable to it ;

NOW THEREFORE the Agency and Yugoslavia hereby agree as follows :

Section 1. The project to which this Agreement relates is the conduct, at the Boris Kidric Institute at Vinca, of certain research and experiments the purpose of which is to study the extraction of plutonium from uranium and from fission products and for the investigation of its chemical and physiochemical properties.

Section 2. The Agency hereby allocates to the project 5 grams of plutonium (hereinafter the "supplied material"). This material is to be supplied by France in accordance with the terms stated on the Purchase Order addressed by the Agency to France and accepted by the latter, a copy of which Order is attached hereto. Yugoslavia shall communicate to France the shipping instructions, shall assume all costs for transportation and insurance, and shall transmit to the Agency a copy of the receipt by which delivery of the supplied material is acknowledged. The Agency shall not bear any responsibility for the use of or for any defect in such material.

Section 3. Yugoslavia shall make arrangements for the shipment of the supplied material in the custody of a licensed public carrier or of a responsible person

¹ Came into force on 26 July 1963, upon signature, in accordance with Section 9.
